PART I

The Annual Report on the Government Stud Farm at Kunigal

No. G. 11741-3—Mily. 136-20-4, dated 15th December 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

The annual report on the Government Stud Farm at Kunigal for the year 1919-20 received from the Chief Commandant, Mysore State Troops, with his letter No. 3434, dated 30th September 1920.

Order No. G. 11741-3—Mily 136-20-4, dated 15th December 1920.

There were on 1st July 1920, 13 stallions, 132 mares and 125 foals in the farm as against 14 stallions, 144 mares and 111 foals in the previous year. One stallion previous-died of old age during the year. The value of the stock on hand is estimated at Rs.1,37,979, excluding the value of six stallions presented to the farm.

2. There was a fall in the percentage of successful births to Government mares covered from 30·06 of the previous year to 21·42 of the year under report and the number of abortions and premature births increased by one. The fall in the percentage of births and holdings is reported to be due to unfavourable seasonal conditions and the old age of stallions. The Chief Commandant should submit proposals separately for effecting improvements to the farm in this direction

3. During the year under review seven thorough breds of the farm were sold at Calcutta for Rs. 19,300 at an average price of Rs.2,757 as against Rs. 2,603 realised 1918-19. Government note with satisfaction that the locally bred horses find a good sale in the Calcutta market.

4. The cost of maintenance of the farm and the total realisations amounted to Rs 1,03,244 and Rs. 38,619, respectively, against Rs. 65,509 and Rs.37, 028, in the previous year. The increase in the expenditure on the farm is reported to be mainly due to the high prices of grain and fodder. Government note that this increase however is abnormal and that steps should be taken to reduce the expenditure. It is necessary therefore that the question of supplying fodder from Government managed farms should be energetically taken up and pursued till satisfactory arrangements are made.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Chief Commandant, Mysore State Troops.
The Comptroller to Government.
The Revenue Commissioner in Mysore.

GOVERNMENT OF H. H. THE MAHARAJA OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS,
Dated Bangalore, the 4th December 1920.

PRESS COMMUNIQUE.

In a Press Communique issued on the 19th October 1920, the Government have explained at length how in spite of the liberal concessions sanctioned by them in July last, a large number of employees of the Press were misled into the false position of submitting to Government a petition on the 5th October evincing a spirit of insubordination and calculated to create embarrassment at a time when the work is ordinarily heavy. The dismissal of the signatories numbering about 188 was thus forced on Government in spite of the fact they were and are prepared to listen to all reasonable representations and real grievances placed before them in a proper manner.

There are now indications to show that the men out of work are repenting their action and are desirous of re-employment. Some petitions to this effect have of late been received. The Government do not desire to be unduly harsh on their late employees and are prepared to consider the cases of such applicants on their individual merits. They desire therefore to let it be known that individual applications for re-admission to employment will be favourably considered as far as possible, subject to the following conditions :—

(1) That the applicant resigned his membership of the Bangalore Compositors, Binders and Printers Association.

(2) That he will be treated as commencing service anew.

(3) That the question of counting his previous service will depend entirely on his future good conduct.

Government, however, consider that some organization is necessary in order that a spirit of co-operation may be gradually created among the different kinds of workers and the supervising staff and that the conditions under which workers labour may be more generally understood. Government, therefore, propose to issue orders for the establishment of a Works Committee in the Government Press on the lines approved by the Government of India in their order dated the 15th July 1920.

By Order,
C. S. BALASUNDARAM IYER,
Chief Secy. to Govt.

Re-entertainment of Dismissed Employees in the Government Press who went on Strike.

No. G. 11047-8—P. & S. 6-20-32, DATED 4TH DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Letter No. 491—C. B., dated 5th October 1920, to the Superintendent, Government Printing, directing the dismissal of the employees of the Government Press, who presented a petition displaying a gross insubordination on that day.

2. Letter No. 500, dated Camp Mysore, 25th October 1920, from the Superintendent, Government Printing, in regard to the arrangements made for getting through printing work during the Dasara Season and requesting that he may be authorised to employ fifty literate men on a pay of Rs. 20 per mensem inclusive of allowances for training as compositors in the Press for a period of six months.

3. Memorial from V. Ramaiya and others submitted to His Highness the Maharaja on or about the 3rd November 1920.

4. Letter dated 17th November 1920, from the Superintendent, Government Printing, submitting the petitions of some of the dismissed employees of the Government Press, addressed to him, expressing contrition for their conduct and requesting to be re-employed.

Order No. G 11047-8 -P. & S. 6-20-32, dated 4th December 1920.

Government are pleased to direct that such of the dismissed employees and men on strike as apply individually for re-employment may be re-admitted by the Superintendent at his discretion subject to the following conditions:—

1. That they have resigned membership of the Bangalore Compositors, Binders, and Printers Association;

2. that they will be treated as commencing service anew;

3. that the question of counting their previous service will depend entirely on their future good conduct.

The Superintendent will submit cases in which he feels a doubt for the orders of Government, before rejecting such application.

2. The Superintendent is also authorised to employ 20 literate men on salaries not exceeding Rs. 27 inclusive of allowances for training as compositors, binders, or machinemen, for a period of six months; the men being transferred to the piece-work establishment at the end of that period on the minimum salary on which they are entertained and eventually promoted to the " Hour account " classes.

3. Government direct also that an organisation on the lines of the Works Committee sanctioned by the Government of India for their Presses should be brought into existence in the Government Press, Bangalore, to start with. As this is a new organisation it is necessary to afford special help and guidance to the Superintendent in the early stages of its formation. The Under Secretary, Efficiency Audit Branch, will accordingly be instructed to afford the necessary help taking instructions from Government, personally on all doubtful and delicate points.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Superintendent, Government Printing.
The Comptroller, Mysore Government.

Levy of Fees.

No. G. 10902-71—Med. 93-20-7, dated 4th December 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Government Proceedings No. 3820-70--Med. 231-13-4, dated the 26th November 1915, prescribing rules for the levy of fees in hospitals and dispensaries in the Cities of Bangalore and Mysore.

2. Correspondence ending with letter No. G. C. 43-5, dated the 16th August 1920, from the Officiating Senior Surgeon in Mysore, suggesting that the present rates of fees, *viz.*, Rs. 2 and Re. 1 for 1st and 2nd class patients treated in the Special Wards of the Minto Ophthalmic Hospital, Bangalore, may be increased to Rs. 4 and Rs. 2, respectively, the rates for treatment in the General Wards remaining unchanged.

Order No. G. 10902-71—Med. 93-20-7, dated 4th December 1920.

In modification of the rules issued with the Government Order of 26th November 1915 read above, the revised rates proposed by the Senior Surgeon for treatment in the Special Wards of the Minto Ophthalmic Hospital are approved. The revised rates will come into force with effect from the 1st January 1921.

2. The following addendum will be made to Rule 6 of the Rules published with the above order :—

"In the case of the Minto Ophthalmic Hospital, Bangalore, the fee leviable for namission into the Special Ward will be Rs. 4 per day in the case of a 1st class patient pad Rs. 2 per day in the case of a 2nd class patient."

Cost of Vaccine Lymph.

No. G. 12264-76—Sanv. 61-20-15, dated 23rd December 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

The undermentioned communications from the Presidents of District Boards in regard to payment for vaccine lymph supplied to them from the Government Vaccine Institute, Bangalore:—

1	From the President, District Board,	Tumkur,	No. L F C 871 dated	27-2-1920
2	do	Kolar	D 2 Dis 158	30-3-1920.
3	do	Hassan	R O C 319—19-P—130—L F dated	30-3-1920
4	do	Kadur	R Dis 37—L B	5 4-1920.
5.	do	Chitaldrug	C 565 L F	6-4-1920
6.	do	Bangalore	„ D 1 Dis 181 L F	22 5-1920.
7	do	Shimoga	H C 126 -L B	17 4-1920
8	do	Mysore	„ D 2 Dis 665 L B	7- 11 6 1920

2. Correspondence ending with letter No. C 180-4, dated 8th October 1920, from the Officiating Sanitary Commissioner in Mysore, submitting a statement showing the cost of lymph supplied to certain local bodies in the State and explaining the practice prevailing in Madras in the matter of recovering the cost of lymph supplied to the District Boards and Municipal Councils in that Presidency.

Order No G. 12264-76—Sany 61-20-15 dated 23rd December 1920.

The statement appended hereto goes to show that while the total cost of lymph supplied to the eight District Boards, the two City Municipalities and the Kolar Gold Fields Sanitary Board during the calendar year 1919 amounted to Rs. 10,262-9-3, the cost actually borne by the two City Municipalities was only Rs. 596-0-3 and the rest of the local bodies mentioned therein got a free supply of the lymph at the cost of the Sanitary Department. It appears scarcely reasonable to continue this practice any longer particularly in view of the fact that under Section 8 of the Local Boards Regulation, District Boards are required to provide for the control and the administration of measures likely to promote the health, comfort, convenience, interest or welfare of the public and under Section 54 of the Mysore Municipal Regulation, it is one of the obligatory duties of Municipal Councils to make reasonable provision for vaccination and further under section 24 of the Mysore Mines Regulation, the Kolar Gold Fields Sanitary Board is expected to provide for the proper and timely treatment of persons affected with cholera or other epidemic diseases

2. With a view to have uniformity in the matter of meeting the cost of vaccine lymph supplied to the various local bodies in the State, the opinions of the District Boards were invited on the point and after a careful consideration of the views expressed by them, as also of the practice prevailing in Madras Government are pleased to direct that, in future the cost of vaccine lymph supplied to District Boards and Municipalities in the State as well as the Kolar Gold Fields Sanitary Board be borne by the respective local bodies.

3. This practice will come into effect from 1st January 1921, the cost for the remaining portion of the current official year being met by reappropriation by the various local bodies, necessary provision on this account being made in their budgets in future.

Tonga Ponies.

No. G. 11802-10—Legis. 4-20-10, DATED 16th DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Reports from the District Magistrates of the Districts on the condition of the ponies employed in carrying mails and passengers in their several districts for the half-year ending 30th June 1920.

Order No. G. 11802-10—Legis. 4-20-10, dated 16th December 1920.

Recorded.

2. There were six cases of prosecution during the half-year under the Public Conveyance Regulation all of them being in the Chitaldrug District. All the cases are reported to have ended in conviction.

3. It is reported that one Mr. Lewis in the Kolar District found working three carriages with a single license was handed over to the Police. The result of the action taken in the case may be reported for the information of Government.

4. Government note that in all the districts except Kolar, Mysore and Hassan, steps have been taken to see that jatkas and ponies declared unfit are not used by the parties concerned.

Report of the Krishnarajasagara and Allied Works.

No. G. 12085-6—G.M. 112-20-3, dated 20th December 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Letter No. 3473, dated 16th October 1920, from the Chief Engineer, Cauvery Valley Irrigation, forwarding the Administration Report of Krishnarajasagara and Allied Works for the year 1919-20.

Order No. G. 12085-6--G.M 112-20-3, dated 20th December 1920.

Recorded.

2. Rajasabhabhushana Rao Bahadur Mr. K. Krishnaiengar, B.A., L.C.E., continued to be in charge throughout the year under report. His official designation was changed from "Chief Engineer on Special Duty in charge of the Cauvery Valley Irrigation" to "Chief Engineer, Cauvery Valley Irrigation" and he was also appointed "Joint Secretary to Government in the Public Works Department (*Ex-officio*)".

On the retirement of the late Mr. B. B. Garudacharya, Superintending Engineer, Krishnarajasagara Works on 1st January 1920, Mr. Y. Aswathanarayana Rao who was Executive Engineer in charge of No. II Division was appointed Offg. Superintending Engineer. Mr. M. G. Rangaiya, Executive Engineer, No. I Division, was placed on deputation from 15th April 1920, till the end of the year in connection with the Cauvery Arbitration Case.

3. *Krishnarajasagara and Allied works.*—A new Channels Division was formed with headquarters at French Rocks and the work of No. III Division at French Rocks which was abolished was tacked on to this new Division. The No. V Yedatore Division was continued for another year from 1st July 1920 in Government Order No. P.W. 258-66—E. 750-88, dated 16th July 1919. The Engineering and Special Revenue Establishments employed on the scheme for the development of sugar-cane cultivation were disbanded as it was not possible to do much useful work under the unfavourable conditions created by the inherent difficulties of the scheme and the recent introduction of re-survey.

4. *Total grant and outlay.*—The year's grant from all the sources as finally sanctioned including the establishment charges amounted to Rs. 18,05,221 against which an outlay of Rs. 17,36,405 was incurred, the net lapse being Rs. 68,816. The average expenditure during the last five years was Rs. 23,15,425.

5. *Krishnarajasagara Works.*—The expenditure under the head stood at Rs. 13,53,866 against a grant of Rs. 14,19,500. the net lapse being Rs. 65,634. This is partly attributed to the removal of labour engaged on the North Bank on excavation work to the approach and draft clearance work of the High Level Irrigation sluices and of the Right Bank Low Level Canal and also to the want of adjustment to the proper heads.

The amounts sanctioned under certain sub-heads of the Dam Works have been fully worked out. The sluice works made much progress. Out of a total extent of 10,906 acres coming under submersion by the first stage of the Reservoir, 10,107 acres have been acquired. Four new villages were formed during the year bringing the total number of new villages laid out to 25, the balance to be laid out being 11 villages. The drainage of four tanks was completed and the beds were made available for cultivation.

6. *Channel Works.*—The work done on the channels during the year consisted mainly in completing the waste-weirs, aqueducts, sluices and improving the channels by grading, sectioning and removing projections. The total area irrigated under the new channels and extensions was 11,583 acres out of a total command of 24,785 acres.

No. G. 12085-6—G M. 112-20-3, DATED 20TH DECEMBER 1920.

The South Bank Channel was opened to a length of 18 miles and the Left Bank Canal to a length of 12 miles during the year The channel from the right end of the Chamaraja Anicut made some progress It was opened out to a length of 38½ miles with branch channels. The total area brought under the irrigation of this channel was 6,334 acres out of a total command of 12,714 acres. Improvements were effected to the Hemagiri Channel and the supply was good throughout the year and the full area of 2,423 acres was under irrigation. The high level canal from the North Bank of the Krishnarajasagara Reservoir made very little progress.

7. *Miscellaneous.*—The damages caused by the heavy rains in May 1920 to the sluices of Rajaparameswari, Ramaswami and Chikdevarayasagara Channels were promptly repaired. The large differences between the book balance and that actually on work under materials were investigated and finally adjusted. The road from Mysore to Krishnarajasagara was opened for traffic for light and springed vehicles.

8. *Establishment.*—The charges under this head amounted to Rs. 2,66,918 against the grant of Rs. 2,71,400. The percentage which the charge bears to work is 19·9.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

Report on the working of the Department of Geology during the year 1919-20.

No. G. 12357-9—Geol. 45-20-5, dated 23rd December 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Report on the working of the Department of Geology during the year 1919-20, received with the Director's letter No. 516, dated 13th September 1920.

Order No. G. 12357-9—Geol. 45-20-5, dated 23rd December 1920

1. The Department of Mines and Geology was re-organised during the year and divided into two separate departments designated (1) the Geological Department and (2) the Department of Mines and Explosives. The Explosives Branch was formed part of the Mining Department and placed in charge of the Inspector of Explosives with an Assistant.

2. Dr. W. F. Smeeth was placed on special duty in connection with the Iron Works and for developing certain other schemes and Mr. B. Jayaram was appointed *sub pro tem* Director of Geology.

3. Among important changes in the rules made during the year may be mentioned the following:—

(1) The rules for the grant of mineral licenses and leases were revised during the year on the recommendation of a committee appointed to consider the question of mineral exploitation in the State. The changes made afford encouragement for developing mineral resources by private enterprise and retain sufficient control in the hands of Government.

(2) With a view to afford sufficient facilities to local industries, Government directed in April 1920 that certain ores and minerals shall be reserved in certain specified areas and that until further notice no licenses or leases shall be granted in respect of those minerals unless Government consider it necessary to do so in the interests of local industries.

Orders were also passed restricting to one year at a time the period of permits issued by the Deputy Commissioners of Districts under Rules 18 and 19 of the Land Revenue Rules and by the Forest Department for the removal of ordinary minerals.

Mining and Prospecting.—Twenty-nine mining leases and 42 prospecting licenses were current during the year as against 31 mining leases and 63 prospecting licenses in 1918-19. The large decrease in prospecting licenses was mainly due to the cancellation of licenses under which no active work was being carried on.

The total area held under mining leases and prospecting licenses was 54,259 acres and the rent recovered amounted to Rs. 14,711-1-11.

Twenty-one exploring licenses were current during the year as against 18 in 1918-19.

It cannot be said that there was any appreciable increase of activity in mineral exploitation during the year.

Gold Mining.—As in the previous year, five mines on the Kolar Gold Field, *viz.*, Mysore, Champion, Ooregum, Nundydrug and Balaghat, produced gold and no work was done on the gold blocks outside the Kolar Gold Field area.

The total output of bar gold during the year 1919-20 was 488,056 ounces of an approximate value of Rs. 2,55,87,970 compared with 487,484 ounces of the value of Rs. 2,51,11,749 in 1918-19. The royalty payable to Government is Rs. 14,10,661 as against Rs.14,30,480 recovered in the previous year.

Manganese.—Two mining leases and 7 prospecting licenses were current during the year as against 2 mining leases and 16 prospecting licenses in 1918-19.

Twenty three thousand nine hundred and sixty-five tons of ore were extracted and 10,852 tons were exported during the year, the corresponding figures for the previous year being 22,472 and 4,470 tons. The royalty payable to Government is Rs. 6,605-15-9 as against Rs. 922-14-10 in the previous year.

Chrome.— Four mining leases and 10 prospecting license were current for chrome as against 4 mining leases and 15 prospecting licenses in 1918-19. The quantities of ore extracted and exported were 7,317 and 5,196 tons, respectively, as against 58,494 and 18,945 tons in the previous year. The royalty payable is Rs. 3,897-6-0 as against Rs. 15,153 in 1918-19. The decrease in the output is due to want of market since the close of the war.

Magnesite.—There were 4 mining leases and one prospecting license current as against 4 mining leases and 8 prospecting licenses in the previous year. Two thousand two hundred and eighty tons of ore were extracted and 1,637 tons were exported during the year as against 2,426 and 2,484 tons respectively in 1918-19. The royalty payable to Government is Rs. 1,023-4-0 as against Rs. 1,552 in 1918-19.

Asbestos.—Six prospecting licenses were current for asbestos as in the previous year and 2,200 tons of ore were collected during the year.

Kaolin or China clay.—Eight prospecting licenses were current for Kaolin as in the previous year. 2,328·75 tons were collected and 2,197·5 tons were removed during the year, the corresponding figures for the previous year being 2,046 and 1,841 tons. The royalty payable to Government was Rs. 1,308-11-3 as against Rs. 619 in the previous year.

Geological survey.—The Director devoted a considerable amount of time to revising and mapping certain areas in Hassan, Kadur, Shimoga and Chitaldrug Districts. Progress, however, in this branch of work is slow.

Prospecting and economic enquiries.—Investigations were conducted during the year in connection with sodium carbonate, limestone and kankar.

Laboratory.—One hundred and eleven assays and analyses of ores and minerals were carried out comprising 58 samples of iron ores, 31 of limestone, 4 of dolomite, 6 of sodium carbonate, 3 of kankar, 3 of clay, etc.

Museum.—A large number of specimens of rare minerals and rocks of geological and economic interest were added to the museum during the year.

Leave to Probationers.

No. 937-90—E.A.G. 495-20, DATED 2ND DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

G O. No. G 9060-9102—G M. 401-16 1, dated 2nd January 1917, sanctioning a scheme for systematic recruitment to Gazetted and Upper Subordinate ranks of the Public Service.

2 Paragraph 2 of letter No C 923—G.C 20-21, dated 2nd September 1920, from the Revenue Commissioner in Mysore, seeking orders in regard to his powers to grant leave to the Revenue Probationers

Order No 937-90—E A G. 495-20, dated 2nd December 1920

Government are pleased to lay down the following rules in the matter of granting leave to the Probationers in the several departments :—

(1) The Heads of Departments noted in the margin are competent to grant leave to the Probationers in their respective departments in the same way as leave is granted to other officials.

1. Revenue Commissioner.
2. Excise Commissioner.
3. Inspector-General of Police.
4. Inspector General of Prisons.
5. Inspector-General of Registration.
6. Inspector General of Education
7. Senior Surgeon
8. Sanitary Commissioner.
9. Conservator of Forests
10. Chief Engineer.
11. Comptroller
12. Chief Commandant.
13. Stamp Commissioner.
14. Agent, Mysore Railways
15. Director of Agriculture
16. Director of Industries and Commerce.
17. Chief Electrical Engineer.
18. Registrar, Mysore University.
19. Director of Geology.
20. Director of Mines

(2) In the case of the Probationers in the other departments, such as, Government Gardens, Government Press, Revenue Survey, Archæology, Meteorology and Co operative Societies, such leave will be granted by Government on the recommendation of the Head of the Department concerned.

(3) No acting arrangements are permissible consequent on the grant of leave to Probationers, as they are in addition to the sanctioned permanent staff.

C. S. BALASUNDARAM IYER,

Chief Secretary to Government.

Government Advocate or Public Prosecutors

No. R. 6718-31—L. R. 207-20-5, DATED 6TH DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Para 2 of letter No. C. 550—Cl. 20-21, dated 9—11th August 1920. from the Revenue Commissioner in Mysore, stating that it will be a great convenience if the Deputy Commissioners of Districts are generally empowered to engage the services of the Government Advocate or the Public Prosecutor of the Division in cases in which the Government is a party, a report being immediately sent by them to the Revenue Commissioner or Government for their information and suggesting that when the Government Advocate or the Public Prosecutor is unable to attend or when for other reasons it is necessary to urgently engage the services of any other local member of the Bar, the Deputy Commissioners may be allowed to do so in anticipation of sanction.

Order No. R. 6718-31—L. R. 207-20-5, dated 6th December 1920.

The recommendation of the Revenue Commissioner to authorise Deputy Commissioners to engage the services of the Government Advocate or the Public Prosecutor is approved.

Government are not in favour of according general authorisation to the Deputy Commissioners to engage the local counsel in Government cases in anticipation of specific sanction thereto.

G. ARAVAMUDU IYENGAR,
Secy. to Govt. Rev. Dept.

ORDER NO. R. 7192-252—L. R. 240-18-6, DATED 18th DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Order No. 7644-53—R. F. 53-96, dated 12th February 1898, directing that the shanbhogs' stationery allowance be calculated villagewar subject to any revision which may be found necessary at the revised settlement of potgi, and as regards those taluks the potgi settlement of which was not due or not likely to be completed within three years, that the shanbhogs' present stationery allowance be increased by 35 per cent temporarily till the revision of the potgi settlement.

2. Government Order No. R. 760-809—L. R. 271-17-4, dated the 10th July 1918, passing orders on the several resolutions arrived at the Shanbhogs' Conference held in 1917.

3. Correspondence ending with letter No. C. 2160—Gl. 19-20, dated 16th—23rd August 1920, from the Revenue Commissioner in Mysore, submitting his proposals for increasing the remuneration, etc., of shanbhogs.

Order No. R. 7192-252—L. R. 240-18-6, dated 18th December 1920.

The question of increasing the remuneration of village officers has been frequently urged at the several sessions of the Representative Assembly and also at the annual conferences of shanbhogs. In the Government Order dated the 10th July 1918 read above, the Revenue Commissioner was also requested to submit his proposals for suitably increasing stationery allowance to shanbhogs. The Revenue Commissioner now recommends that (1) the potgi should be assessed villagewar instead of firkawar for shanbhogs, and (2) that the scale of stationery allowance for shanbhogs may be increased by 50 per cent.

2. These proposals of the Revenue Commissioner which involve an additional expenditure of about Rs. 92,000 a year are sanctioned. The Revenue Commissioner is requested to take all possible measures to improve the Revenue, such as by the quick disposals of darkhasts, assignments of lands set free for cultivation, etc.

G. ARAVAMUDU IYENGAR,
Secy. to Govt., Rev. Dept.

To—The Revenue Commissioner in Mysore.
The Comptroller to Government.
The Deputy Commissioners of Districts.
The other Heads of Departments.
The Superintendent, Revenue Survey and Settlements in Mysore.

Cattle Census.

No. R. 6982-91—R. M. 7-20-16, DATED 10TH DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Order No. R. 5630-9—R.M. 7-20-14, dated12th November 1920, sanctioning the grant of a prize of Rs. 10 to the Shanbhog whose schedule of the Fifth Quinquenniel cattle census is the best in the taluk or sub-taluk.

2. Letter No. C. 630—Gl.17-18, dated 23rd November 1920,f om the Revenue Commissioner in Mysore, suggesting that, as the agency proposed to be employed on the cattle census work does not consist solely of the village officers, the words "to the Shanbhog " in the Government order read above may be changed into " to the enumerators " and requesting sanction of Government to the grant of one more prize to the best enumerator in all the head quarter municipalities as well as other large and important municipalities like Channapatna, Davangere, Dodballapur, Chikballapur, Nanjangud, Seringapatam, etc., with a large population and the additional charge of about Rs. 150 therefor

Order No. R. 6982-91—R. M. 7-20-16, dated 10th December 1920.

Government agree with the Revenue Commissioner and are pleased to direct that the words " to the Shanbhog " appearing in their order read above be changed into " to the enumerators."

2. They are further pleased to sanction the grant of a prize of Rs. 10 each to the best enumerators in all the district head quarter (towns) municipalities and other large municipal towns.

3. The Revenue Commissioner is authorised to include the provision necessary for the additional cost of about Rs. 150 on this account in the total cost of the said census.

Inspections of the Excise Commissioner.

No. R. 7433 -- Ex. 16-19-33, DATED 23RD DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Order No. 1752—E. A. G. 95-15-4, dated 30th March 1918, prescribing certain rules and forms for the inspection of the officers of the Excise Department.

2 Correspondence ending with letter No. G. C. 126-19, dated 26th April 1920, from the Excise Commissioner in Mysore, regarding the revision of the forms of inspection to be used when the inspections of Taluk, Excise Range and Sub-Range offices and bonded depots are conducted by himself.

Order No. R. 7433 — Ex. 16-19-33, dated 23rd December 1920.

Government agree with the Excise Commissioner in thinking that the ordinary forms of inspection of the subordinate officers are somewhat too elaborate in the case of Excise Commissioner's inspection notes and they are accordingly pleased to prescribe modified forms for the inspection by the Excise Commissioner of Taluk, Range and Sub-Range offices and bonded depots. Government observe that it will have a very wholesome effect if the Excise Commissioner inspects at least a few taluk offices and bonded depots in each district every year and the Excise Commissioner is therefore requested to arrange for the annual inspection of at least three taluk offices and three bonded depots in each district every year. A record of the inspection of other offices as well as the Range and Sub-Range offices should be maintained by the Excise Commissioner in the prescribed forms and a result of the inspections made together with the more important directions issued in connection therewith should be reported to Government every half-year not later than the last day of the month following the close of the half-year.

G. ARAVAMUDU IYENGAR,
Secy. to Govt., Rev. Dept.

To—The Excise Commissioner in Mysore.

Exd.—C. R.

ANNEXURE.

Memo of inspection of the Excise Range Office.

Questions	Inspecting Officer's replies
PRELIMINARY.	
Name of Inspector in charge.	
I. Inspection.—	
(*a*) When was the office last inspected by (i) the District Excise Officer ? (ii) The Excise Commissioner ?	
(*b*) Have the previous notes of Inspection been duly communicated to the Range Inspector ?	
II. ACCOMMODATION.	
(1) Is the office located in a Government or rented building ?	
(2) If it is located in a rented building, what is the monthly rent and how far is it from the Taluk Cutcherry ?	
(3) Is it in good order and kept clean and the accommodation sufficient and suitable ?	
III CONSTITUTION AND NUMBER OF EXCISE SHOPS.	
(1) What are the taluks constituting the Range ?	
(2) How many Sub-Ranges is it divided into ?	
(3) The number of depots and shops as particularised below ?	

Name of Sub-Range	Arrack depots	Toddy depots	Arrack shops	Toddy shops	Ganja shops	Opium shops	Beer taverns	Foreign liquor: Wholesale	Foreign liquor: Retail	Refreshment room	Other kinds of shops, if any
Total ...											

(4) Is there any difference in the number of shops licensed between the current and past year ? Has the necessary sanction been obtained for opening new shops ?

(5) Is the number of shops sufficient to meet the legitimate demand ? If the shops are in excess, what scope is there for reduction ?

(6) Is the distribution of shops even without being too close to or very far from each other ? What scope is there for re-distribution ?

IV. ESTABLISHMENT.

(1) What is the sanctioned scale of the establishment for the Range ?

(2) What are the qualifications and services of all officials working in the Range ?

(3) If the full complement is not working in the Range, what are the reasons ?

(4) Is a service register maintained for every permanent official and brought up-to-date ?

V. ORDER BOOK.

(1) Is an office order book maintained ?

(2) Are orders of leave, punishment, etc., regularly recorded and given effect to ?

VI. DEFAULTER BOOK.

(1) Is it maintained properly and posted up-to-date ?

VII. GOVERNMENT ARTICLES INCLUDING INSTRUMENTS, BOOKS AND MAPS.

(1) Is a register showing all the Government articles including instruments, books and maps supplied to the Range and Sub-Ranges maintained and written up-to-date with details as to the cost, if any, and date of purchase or supply of each ?

2. (*a*) Is the register showing the receipt and expenditure of paint maintained ?

(*b*) Is the paint securely kept ?

(3) Are the instruments kept clean and is the box perfectly dry and free from dust and dirt ?

(4) Is the register showing the transactions of priced books maintained ?

VIII. CRIME.

A—(1) Is the crime register maintained and are the entries up-to-date ?

(2) Note the number and general nature of the cases reported up-to-date as compared with the last three years.

(3) Have any cases been taken up during the year not reported to the District Excise Officer and copies of first occurrence

reports in cases falling under Sections 55, 57 and 58 of the Excise Regulation submitted to the Excise Commissioner and why ?

(4) How many cases have been disposed of by Magistrates and how many by the Department and what are the results ? Arrange and classify them according to the nature of the offence.

(5) How many cases were detected by the Inspector, Assistant Inspectors and Sub-Inspectors ? Note any exceptional good or bad work done by the staff.

(6) How many cases are pending disposal and with whom ? Explain the reasons for the delay in the disposal ?

(7) Is here any general delay in the disposal of cases ?

B. Charge Sheet Register.

Is the Register maintained intact and are the duplicates of the charge sheets returned pasted to the counterfoil ?

C. Register of Persons convicted of offences under the Excise Regulation or Rules thereunder.

Is this register properly maintained and written up and used according to the circular orders ?

D. Are the following Registers maintained properly ?

(1) Requisition for assistance.

(2) Requisition to Police Station Officer.

(3) Register of articles found or seized as being liable to confiscation ?

(*a*) Are there instructions regarding the disposal of confiscated articles observed? (*b*) What are the articles lying undisposed and why ?

(4) Register of Bail Bond to appear before Excise Inspector. (Here note whether the surety demanded is excessive.)

(5) Register of Bail Bond to appear before Magistrate.

(6) Register of Recognizance.

(7) Register of information received and action taken.

IX. Departmental Fine Register.

Is it maintained ? Have all the fines imposed been collected ? If otherwise, note the progress.

XVI. Rental Ledger.

(N. B.—All rentals including license fees should find a place in this register.)

(1) Are the rental challans received regularly from the taluk and entries properly made ?

(2) Are the entries relating to old arrears carried down in this register ?

(3) Is a copy of the Bakipatti received every month ?

XVII. Diaries.

(1) Is a diary check register for the Inspector and his subordinate staff maintained and written up-to-date ?

2. In how many instances has there been a delay of over a week in the despatch or receipt of diaries ?

3. Is the counterfoil of Inspector's diaries maintained intact and are all the orders of the District Excise Officer noted therein and how far have they been acted up to ?

4. Are there any instances in which explanations called for have not been furnished ? If so, how many and why ?

5. Are the Assistant and Sub-Inspectors' diaries filed regularly after they are finally disposed of ?

XVIII. Registers of License, etc.

1. Is the Register written up properly ?

2. Give the number and kind of licenses issued.

3. Explain fully the reasons for licenses not yet issued ?

4. Are particulars of resales, if any, duly noted ?

XIX. Date Reserve List.

1. Is the register maintained intact ? Are necessary entries revised as changes have occurred ? Is necessary intimation sent to the Range Office from the District Excise Office ?

XX. Register of Licenses for cutting date leaves, etc.

1. Has a register showing licenses granted for cutting date leaves and dead date wood been maintained ?

2. How many of such licenses have been issued ?

XXI. Register of dead wire trees died over or careless tapping.

1. Is it maintained properly ?

2. Up to what period, has the work been completed and list submitted ? Explain delay ?

3 What is the amount of penalty that is pending recovery ?

XXII. Acquittance Roll

1. Is necessary sanction obtained for drawing the pay or allowances of incumbents of appointments requiring sanction of higher authorities ?

2. Are copies of pay bills regularly submitted to the District Excise Office every month ?

N. B.—Disbursement of Range Office rent when located in a private building as well as of contingent amount to Assistant Inspectors should be duly noted in the acquittance roll.

XXIII. Cash Book.

1. Is a cash book maintained ?

2. Are the amounts of pay or travelling allowance bills and those realized from the sale of permanent advance of books as well as payments posted in the cash book ?

3. Is there any money on hand awaiting remittance to the Treasury or payment to the parties ? Details may be furnished.

XXIV. Leave Register.

1. Whether maintained properly and entries written up-to-date should be stated.

XXV. Itineration.

1. Is the statement received regularly and punctually from the Assistant Inspectors and a consolidated statement submitted regularly to the District Excise Office ?

2. Remarks on itineration. Grove inspection with reference to T. T. 3 and T. T 4 should also be alluded to.

3. Is the Village Patrol Register maintained and written up-to-date ? Does it tally with the diary and itineration statement ?

4. What are the shops and places that have not received sufficient inspection and why ?

XXVI. T. T. Registers.

T. T. 2.

1. Is a register maintained in the prescribed form? State the progress of marking work as compared with the corresponding period of the previous year and explain fluctuation

2. Is a check register maintained and prompt receipt of these reports insisted ?

T. T. 3.

2. In how many villages are trees marked in the Range and what is the total number ? Is an index of the names of the villages put up ?

N. B.—Separate T. T. 3 Registers should be maintained if trees have been tapped for the Bangalore Cantonment and for British shops.

T. T. 3A.

1. Are separate registers maintained for trees licensed for shops within and outside the State ?

Furnish total figures talukwar.

		Number of shops.	*Number of trees.*
A.	Tapped in the taluks for the shops of the taluk.		
B.	Do other taluks		
C.	Do British Territory		
D.	Do other taluks for the shops of the taluk		
E.	Tapped in British Territory for the shops of the taluk.		

3. (*a*) Is the T. T. 3A extract received in time from other Ranges where trees are tapped for local shops and entries made in the register ?

(*b*) Are similar extracts forwarded in time to other ranges ?

4. Are the particulars regarding the payment of the further instalment of tree tax properly entered ?

FILE OF T. T. 4 APPLICATIONS.

1. Note instances with explanations of the officers concerned for delay exceeding three days:—

(*a*) in the receipt of applications by the Range Inspector from the Taluk office.

(*b*) in the receipt of applications by the Assistant Inspector from the Range office with licenses and permits,
and of delay exceeding seven days—

(*c*) in the marking of trees after the receipt of applications,
and of delay exceeding three days—

(*d*) in the return of applications to the Range Office.

2. What is the percentage of marking work checked by the Inspector on the total number of applications received up to the date of inspection? Are there any groves which have not been inspected by the Range Inspector ?

T. T. 6

1. Is the register maintained up-to-date?

2. Do the entries tally with T. T. 3A?

3. Are the monthly statements submitted regularly?

4. What are the arrears of tree tax and what amount of it is over due?

5. Are T. T. 6 extracts received from other Ranges in time and are entries properly transferred to the T. T. 6 Register? Are similar extracts forwarded to other ranges in time?

T. T. 6 A.

1. What is the number of Government trees tapped? Give comparative figures.

2. State the total amount of tree rent collected under different headings.

T. T. 7.

1. Are the counterfoils preserved intact ?

2. What is the average quantity for which permits are issued ?

3. In how many instances have extensions been granted and in how many cases have they been repeated? Are extensions duly noted with reasons therefor and tests of yield? State how they are in order as compared with the list of dead date trees.

4. Are a sufficient number of permits issued according to distance and stages ?

T. T. 8.

1. Has the number of hiduvali and Government trees been properly shown?

2. Is there any delay in the despatch of the applications from the taluk to the Range Office and from the Range Office to the Assistant Inspector? If so, why?

3. Are the entries regarding the payment of further instalment correctly and regularly made?

4. Is the date of final disposal entered?

5. Are D challans for payment of the 2nd instalment of tree tax sent then and there to the Range Office by the Taluk Office?

6. What amount is remaining to be collected and for what period?

7. What action has been taken in such cases?

T. T. 10.

1. Is the register maintained? How is tree-test work? State the (1) number of groves in which trees have been licensed and trees marked.

(2) Number of groves) for the first time
and the number · Do 2nd time
of trees tested.) Do 3rd time
and over.

2. Are tree-tests made in a sufficient number of groves?

3. What is the average yield per tree in the Range? Give the highest and lowest, naming the groves?

XXVII. Correspondence Register.

1. (*a*) Are "From" and "To" registers maintained neatly and properly with cross references marked?

(*b*) How many of such registers are maintained?

(*c*) Are the entries concise and clear?

2. Are all the registers periodically examined by the Inspector and signed by him in token of his inspection?

Arrear List.

(*a*) Is a list of pending papers prepared and submitted once a month to the District Excise Office by the 5th of the following month, draft copy being maintained?

(*b*) Are reminders sent promptly to subordinate officers for references pending with them?

(*c*) Are similar statements called for from the Assistant Inspectors and scrutinized by the Inspector?

(*d*) A copy of the arrear list may be appended and the disposal of papers in the Range Office reviewed.

Classify the pending papers as,
(*a*) less than one month,
(*b*) more than three months,
and (*c*) over one year.

(*e*) How many references made to the District Excise Officer are pending reply?

(*f*) How many references made by the Assistant Inspectors to the Range Inspector are pending reply? Note cases of delay.

(*g*) Is the list of pending papers correct as per "To" and " From" registers ?

XXVIII. Reports and Returns.

1. Is a statement of the periodical reports and returns to be submitted from the Range and Sub-Range offices maintained, due dates of submission being noted?

2. Is it scrutinized by the Range Inspector then and there?

3. Are the reports and returns regularly received and submitted?

XXIX. Records.

1. Are the records sorted and arranged according to the prevailing system? If not, what is the quantity of papers remaining to be sorted? What time is necessary to complete their sorting?

2. Is a register showing the records destroyed and preserved maintained?

3. Are files of circulars issued by the District Excise Officer and higher officers maintained duly indexed?

4. Are amendments to the Excise Manual duly noted?

XXX. Is an inspection minute book maintained and written up as laid down in para 4 of Government Order No. 10870-918 — E. A. 13-14-1, dated 10th April 1915

XXXI. How far have the orders and instructions given in the notes of previous inspections been carried out?

Instances of irregularities not pointed out, but not rectified should be given. Any irregularities or informalities observed in the course of inspection, whether connected with the printed questions or not and suggestions, if any, for improving the efficiency of the working of the office?

XXXII. General Remarks as to exceptionally good or bad works, etc

1. Is the Range efficiently managed?

2. Does the Inspector maintain a suitable pony and is he a good rider?

3. How long has the Inspector been in charge of the Range and how is his relationship with his subordinates as well as of contractors?

MEMO OF INSPECTION OF THE EXCISE SUB-RANGE OFFICE.

Questions	Inspecting Officer's replies
I. Preliminary.	
1. Name of Assistant Inspector.	
2. Date of inspection.	
3. Period covered by the inspection.	

4. Date of last inspection by—
(i) District Excise Officer.
(ii) Range Inspector and the period covered by it.

5. Have the previous notes of inspection been duly communicated to the Assistant Inspector?

II. Accommodation.

1. Has the Assistant Inspector been provided with any Government building to hold his office in and if so, has it been kept clean and in good order?

III. Number and Kind of Shops.

2. Give the number and description of shops, etc., existing in the Sub-Range.

Arrack		Toddy		Ganja shops	Opium shops	Special liquors	Foreign liquors	Beer	Methylated spirits	Date groves
Depots	Shops	Depots	Shops							

IV. Establishment.

3. What is the sanctioned scale for the Sub-Range? Is the full complement working?

4. How long is the Assistant Inspector in the Sub-Range?

V. Register of Government Articles.

5. Is a register showing Government articles (including furniture, instruments, books, maps, etc.) maintained properly with details as to the date of supply, etc., noted? Verify the articles with reference to the register and note result.

6. Have all the articles supplied been noted in this register?

N. B.—This register should be maintained in bound book and permanently preserved. Names of village maps, supplied to the Sub-Range should be entered in detail' Hobliwar.'

VI. Diary.

7. Is it written up-to-date? Has the diary for the latest week been submitted to the Range Inspector?

8. Has the Assistant Inspector maintained a diary check register? Verify with reference to this whether the remarks by superior officers are entered in the counterfoil and instructions acted upon? Irregularities noticed should be detailed with the explanation of the Assistant Inspector.

9. How many diaries are pending reply and why? Is the explanation satisfactory?

10. Is there any delay in the submission of diaries? If so, state what notice has been taken?

VII. REGISTER SHOWING THE CONSUMPTION OF EXCISEABLE ARTICLES.

11. Is information booked up to the end of the previous month under all items? Note comparative consumption in the form below:—

Items	Up to the month		Explanation of the Assistant Inspector for noticeable fluctuations	Inspecting Officer's own opinion
	Current year	Last year		
Arrack				
Ganja				
Opium				
Number of trees licensed for local shops of the Sub-Range				
Special liquors, etc. ...				

VIII. REGISTER OF T. T. 4 APPLICATIONS RECEIVED FROM THE RANGE INSPECTOR.

12. Is it maintained and written up-to-date?

13. How many and for what number and kind of trees have applications been booked as compared with the corresponding period in the previous year? How is the fluctuation, if any, explained?

IX. T. T. REGISTER.

14. Is an index put up? In how many villages have trees been licensed?

15. Note instances of abnormal delay in marking together with action taken of the irregularity. Are reasons for the delay recorded in the T. T. 4 applications concerned and the fact briefly noted in the T. T. 1 Register under remarks?

X. T. T. 2.

16. Is it punctually submitted to Inspector?

17. Is a register maintained and posted up-to-date? Do the figures tally with T. T. 1 and the Register of T. T. 4 applications?

18. How many and for what number of trees applications are pending with the Assistant Inspector and why?

19. Are the reasons for the delay in marking and in the return of applications acceptable?

XI. T. T. 9 REGISTER.

20. Is it maintained up to the last quarter ? What do the figures indicate about the working of the shops ?

XII. T. T. 10 REGISTER.

21. Is it maintained up-to-date ? and is the test work satisfactory ?

XIII. REGISTER OF TREES OVER OR CARELESSLY TAPPED AND KILLED.

22. Is this maintained properly ?

23. What is the progress made in this direction ?

24. How many trees were examined from the commencement of the official year and how many of them were found dead ?

25. Have lists been submitted to the Range Inspector ?

XIV. CRIME REGISTER.

26. How many cases have been detected by the Assistant Inspector since the beginning of the year as compared with the previous year ? Give an abstract of cases taken up and their disposal, fully assigning reasons for pendency of cases.

27. Have cases been promptly reported by the Assistant Inspector ? Note noticeable delay either in submitting first information reports or furnishing additional information called for on crime reports ?

28. How is the detection work in general ? Whether the Assistant Inspector takes trouble in gathering informations and working them up to their logical conclusion should be judged in general and the impression of the inspecting officer noted.

XV. DEPARTMENTAL FINE REGISTER.

29. Have all the fines imposed been collected ? If not, note the progress made in their recovery.

XVI. VILLAGE PATROL REGISTER.

30. Is it brought up-to-date ?

XVII. VILLAGEWAR REGISTER OF INFORMATION.

31. Is it posted up with up-to-date information ? If not, what is the explanation of the Assistant Inspector ?

XVIII. ITINERATION.

32. Is an office copy of the monthly statement submitted by the Assistant Inspector

correctly maintained in the form prescribed ? Is this itineration up to the standard? Verify entries with reference to the diary and note result.

XIX. LICENSE REGISTER.

33. Is it maintained with all charges noted up-to-date ?

XX. DATE RESERVE LIST.

34. Is there an extract from the Date Reserve List pertaining to the Sub-Range and has it been kept corrected up-to-date ?

XXI. "FROM" AND "TO" REGISTER.

35. Are they maintained neatly with cross references regularly marked ?

36. Are the entries concise and clear?

37. How many papers are pending with Assistant Inspector ? Classify them as (*a*) less than one month, (*b*) more than three months and (*c*) over a year. How many references made to Range Inspector, are pending reply? Note cases of delay, if any, on the part of Range Inspector.

Is the list of pending papers correct as per" To" and" From" Registers ?

XXII. CIRCULAR FILE.

38. Is it maintained properly and are the circulars understood ?

XXIII. RECORDS.

39. Have records and registers of previous years been handed over to the Range Office for being dealt with ?

XXIV. GENERAL.

40. How far have the orders and instructions given in the notes of previous inspections been carried out ? Any irregularities or informalities observed in the course of inspection whether connected with the printed questions or not, should be stated.

41. Officer's personal opinion about the efficiency of work in the Sub-Range, etc., should be recorded.

REPORT ON THE INSPECTION OF THE TALUK EXCISE REGISTERS.

Questions.	*Inspecting Officer's replies.*
Name of Amildar.	
Have notes of previous inspection been duly communicated ?	

I. Day Book.

1. Is it written up-to-date and are the daily entries initialled by the Amildar or Sheristadar at the close of each day and necessary totals struck as per instructions ?

2. What are the total collections under different heads ? State the quantity of liquor or drugs or the number and kind of trees or any other demand which the collection represents ?

Items of collection (Day book headings)	Amount		Quantity represented		Remarks
	From date of last inspection up to end of year	From beginning of current year up-to-date of inspection	From date of last inspection up to end of inspection	From beginning of current year up-to-date of inspection	

3. *See among other points:—*

(i) that the name of the Licensee has been noted;

(ii) that both the Sheristadar's general number as well as the Excise Subsidiary Register number are noted and that the chellans also bear these numbers;

(iii) that totals are properly struck and that collections for the day entered in words;

(iv) that reference to the folio of the ledger has been properly noted;

(v) that duty and price on arrack are not clubbed together but shown separately in the appropriate columns;

(vi) that there is an entry for every separate chellan;

(vii) that erasures and interpolations have been attested;

(viii) that amounts due to other taluks in the district are not credited without the sanction of the Deputy Commissioner.

II. Ledger.

N. B.—(a) Ledger entries should be made as soon as Treasury chellan is presented to the Vatmutsaddi and should not be kept by to be booked later.

4. Is an index put up and are sufficient pages allotted for each shop ?

N. B.—(b) In the case of a group of shops taken by one single contractor, the shop rental of the entire group only need be entered under

the main shop which gives the group its name while separate pages should be allotted to the remaining shops of the group wherein particulars of tree-tax and tree-rent or duty should be entered.

5. Are all the entries of the Day-book correctly posted up-to-date ?

6. (*a*) Are rentals of shops brought under demand on the 10th of each month ?

(*b*) If the same is not paid by the 10th of the month, state whether interest (as per scale) for the month has also been brought under demand.

7. When there are late payments of khists note whether proper interest and also fines where imposed have been recovered. Note all the instances in which the rule has been violated.

8. Do the individual balances as per this register agree with the details furnished in the Bakipatti ? Are the entries relating to old arrears carried down into this Register ?

9. Are totals for the month and up to the month struck at the close of every month?

10. Are the entries for the month as well as corrections and interpolations attested by the Sheristadar or the Amildar ?

III. FILE OF G. AND E. PASSES.

11. Have the duplicates been filed regularly in the order of their receipt ? (Passes relating to each description of liquor or drug should be in separate files.) Are the certificates about the condition of casks properly made ?

N.B.—In cases where arrack casks are found to be not intact the usual certificate printed on the reverse of the form stating that the cask was received in good condition should not be fully retained. Necessary alterations in the text of the certificate should be made to suit the condition of each case. If need be, the printed certificate should be scored out and the necessary endorsement made in detail instead.

12. Have the originals of these passes been sent to the Excise Commissioner after the 10th of the following month with a Ferist?

N.B.—Passes relating to the consignment despatched from the Distillery at the end of any month but received after the close of the month should be treated as if they were passes of the previous month. *Vide* Excise Commissioner's Circular No. 5934-41. dated 25th January 1908.

13. Have the passes been cancelled and scored in red ink ? Have they been signed by

a responsible officer and dealt with according to the Rules ?

N.B.—It is advisable to number the passes serially as they are received and filed in the Taluk Office to facilitate checking and discovering any if missed from the file. The same serial number may also be noted in the' K' register.

IV. H. REGISTER.

14. Is it written up-to-date ?

15. Mention the total quantity of the different kinds of liquors as booked in this register as well as in the Bonded Depot Register. Account for difference noticed.

Kind	As per ' K' Register	As per Depot Register	Difference	Explanation
1. Molasses Arrack				
2. Special liquors				
3. Methylated spirits ..				

N.B.—(1) It is very necessary that the inspecting officer should check the entries in the ' K' Register as well as the filed ' J' passes with the extract from the register of monthly issues received from the Distillery as the latter is the only independent check over the Taluk and Depot accounts.

V. REGISTER AND DUPLICATE PASSES.

(2) The columns "Date of despatch of pass to the Excise Commissioner's Office" and "Remarks as to the condition of seals, etc.," should be properly entered and attested.

(3) Receipts of every kind of liquor should find a place in this register separately or different books, if necessary.

16. Are' N' extracts daily received from the Depots as the liquor is issued and booked in this Register making proper endorsements? Is the Depot Mutsaddi regular in the submission of 'N' extracts to the Taluk Office? Are these extracts properly booked and cancelled with due endorsement?

N.B.—On receipt of the 'N' extracts they should be compared with the entries in the Day Book to see that the amount of duty and price on the quantity issued from the Depot has been duly paid for and a certificate of verification that the entries tally furnished to them. Afterwards the entries should be posted in the ' O ' register and the extracts cancelled in red ink.

17. Have all extracts relating to the previous months been despatched to the Deputy Commissioner's Office? (*Vide* Arrack Rules.) Are those received during the month properly dealt with?

18. What is the total quantity for which extracts of issues received up-to-date of inspection ?

VI. T. T. 8. Register.

19. What is the total number of applications that have been received and for how many trees as compared with same period of last year ?

20. Has the first and second instalment of tree-tax been correctly calculated and received ?

21. Has there been any delay in the transmission of applications to the Range Inspector ? If so quote instances.

22. How many Government trees are licensed and what is the amount of tree-rent credited to the different departments ?

VII. File of Ganja and Majum Passes.

23. Are ganja and majum passes separately filed and the entries made in the "K" Register ? Check the entries under receipts as well as those under issues in the Day Book with those shown in the Treasury Accounts. The balance as per letter registers must tally with the quantity on hand.

N.B.—Ganja and majum passes should be dealt with in the same way as arrack 'J' passes.

24. The extract received from the Depot Mutsaddi regarding the issue of majum to the retail shops should be checked, booked and endorsed and after the close of the month sent to the District Office.

VIII. Sale List.

25. Has this been written up correctly?

N.B.—(1) See that the licenses have paid up the required deposits and given sureties where necessary.

(2) That the sale list bears the Treasury Officer's credit certificate for credit of the deposit amount.

IX. License Register.

26. Is this maintained ? Have all the licensees been delivered, counterpart agreements being duly executed ? Are agreements kept in proper custody in the Treasury ?

N.B.—Account for instances in cases where the licenses did not issue at least within a week after the commencement of the official year.

X. Resale Register.

27. Are resales being held regularly in the case of contractors who have failed to pay

28. How many resales have been held during the year and what was the total extent of loss?

N.B.—The loss from the resale as per this register should be included under demand in the ledger as well as in the Demand, Collection and Balance Statement.

XII. Date Reserve List.

29. Is this maintained and are the necessary remarks made against each of the survey numbers as are given out for cultivation?

XIII. Departmental Fine Register.

30. Is this maintained and written up correctly?

XIV. Circular File.

31. (*a*) Is it maintained.

(*b*) Are the circulars, as they are received, correctly filed in this?

(*c*) Has the Vottu Mutsaddi understood the circulars?

(*d*) Has an index or table of contents been put up?

XV. Demand, Collection and Balance Statement.

32. Are draft copies maintained? Do they also bear the necessary Treasury certificate? Check the balance with the Bakipatti.

33. Do Treasury certificates agree with the individual particulars of the statement?

XVI. Explanatory Memo of Arrears or Bakipatti.

34. Is a Bakipatti being submitted regularly along with the Demand, Collection and Balance Statement, the stage at which each individual case stands being noted? Attach a individual list of arrears marking clearly step taken for the recovery of each item and furnish an abstract as below:—

N.B.—If any record is pending in the Taluk Office itself, the fact should be clearly stated together with reasons for the same. In cases where they are pending in other offices number and date of the last reference should be quoted as also number and date of reminders issued. Vague remarks should not be permitted.

Arrears.	*Current.*	*Total.*
Balance as per latest Demand, Collection and Balance Statement.		

(1) Collected since closing the accounts for the month.

(2) Collected but pending adjustment under proper heads.

(3) Covered by excess collections or deposits.

(4) Amount realised by attachment nad sale of property, but not yet adjusted.

(5) Property has been attached for the recovery of.

(6) To be paid in instalments.

(7) Under enquiry and correspondence.

(8) Reported to be irrecoverable or of doubtful recovery for which remission statements have been submitted.

(9) Amount recommended for remission.

(10) Ordered to be written off the accounts, but not yet adjusted.

(11) Minor steps taken for the collection of.

(12) Erroneously included under demand.

(13) Amount unaccounted for.

XVI. Register of Government Articles.

35. (*a*) Is this register posted up-to-date ? The articles are to be examined and their condition noted.

(*b*) Is the cost and date of supply noted against each article?

XVII. License for cutting date leaves.

36. (1) Have any such been issued in reserved groves and, if so, why?

(2) Have the fees on all the licenses been collected and credited ?

XIX. Correspondence Registers.

37. 1. (*a*) Are" From and To " Registers maintained neatly and properly with cross references regularly marked ?

(*b*) Are the entries concise and clear?

3. (*a*) Is a separate petition register maintained in the prescribed form as laid down in Rule 22 of the Petition Rules regarding matters relating to excise ?

(*b*) Does it show the method of disposal and the date and nature of endorsements granted ?

(*c*) Is there any abnormal delay in the disposal of petitions ?

4. (*a*) Are all the Registers maintained by the Excise clerk periodically examined by the Amildar or Sheristadar and signed in token of their inspection ?

(*b*) Has the Excise Inspector been inspecting the registers thoroughly and systematically once a quarter in accordance with the memo form and has he been sending the notes of inspection to the Amildar through his official superior officer ?

XIX. Reports and Returns.

38. (1) Is a statement showing the periodical returns and reports due from the Taluk Office maintained up-to-date ?

(2) Are the due dates and the dates of actual submission noted therein ?

(3) Is it scrutinized monthly by the Amildar or Sheristadar ?

(4) How many and which returns were over-due at the time of inspection ?

XX. Forms.

39. (1) Is a register showing the receipts and expenditure of forms maintained ?

(2) Is the stock of forms securely kept ?

XXII. Old Records.

40. (*a*) Are they properly arranged ?

XXII. Establishment.

41. (1) What is the scale of establishment and what is the pay and qualification of each ?

(2) Is a Service Register maintained and is it brought up-to-date ?

XXIII. Acquittance Roll.

42. (1) Is an acquittance roll maintained ?

XXIV.

43. Instances of irregularities pointed out, but not rectified should be given. Any irregularities or informalities observed in the course of inspection, whether connected with the printed questions or not and suggestions,

if any, for improving the efficiency of the working of the office should be stated.

MEMO OF INSPECTION OF THE BONDED DEPOT.

Date of Inspection—

I. ACCOMMODATION.

1. Where is the Bonded Depot located? How far is it from the Taluk Office ?

2. Has it got sufficient accommodation? Is it kept tidy and clean ?

3. Is the store room sufficiently safe ?

II. LICENSE.

4. Is a board put up ?

5. Has the depot mutsaddi obtained the necessary license ?

6. Are there any vendors appointed and has their selection been approved by the District Excise Officer?

7. Is the Taluk Treasury Officer's seal on the Store Room lock, and is it intact?

Who keeps the key of the Store Room and where?

8. Has the Amildar inspected the Depot on the 1st of every month and taken stock ?

9. How many shops does the Bonded Depot serve ?

III. REGISTER OF ARRACK, ETC., RECEIVED FROM THE DISTILLERY AND OF THE DAILY ISSUES OF THE SAME.

10. Is the Register properly maintained up-to-date ?

DATED 30TH MARCH 1918.

10. STATE

Wastage { Bung .. ..
Stand.....
Total.
Balance

11. Has the prescribed Register been properly written up-to-date ?

12. Inspect the stock on hand and note if the seals on the bottles are intact. Is it kept in the store room wholly or in part ?

If the latter, state reason for same.

N.B.—Inspecting officers would do well to select a bottle at random and to test its contents.

13. Is an adequate stock maintained always? Note if there have been any instances in which there was short stock or no stock

14. Examine the gallon pot and dram cups and see that they are kept clean and correct and have not been tampered with.

15. Is the ullage Rod in good order ?

N.B.—If warped and unfit for use fact should be reported and fresh supply obtained. Missing ferrules may be got replaced locally.

16. Are the 'N' extracts and 'G' challans submitted regularly and punctually ?

17. Are circulars received from the superior authorities maintained up-to-date ?

18. How long since has the Depot Mutsaddi been in charge of the Depot ? Are there any complaints against him ? Note action taken.

19. Instances of irregularities pointed out during the previous inspection but not attended to should be given with action taken. Any irregularities observed in the course of inspection, whether connected with the printed questions or not and suggestions, if any, for improving the efficiency of the working of the Depot may be noted.

Report on the working of the Registration Department for the year 1919-20.

No. R. 7300-8—REGIS. 13-'20-2, DATED 20TH DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS

READ—

Letter No. R. Dis. 9, dated 6th October 1920, from the Inspector-General of Registration in Mysore, submitting the Administration Report of the Registration Department for the year 1919-20.

Order No. R. 7300-8—Regis. 13-20-2, dated 20th December 1920.

Recorded.

2. The total number of documents registered during the year under report came to 152,217 with an aggregate value of Rs. 4,68,77,430 as against 116,551, with an aggregate value of Rs. 3,29,54,045 in the previous year. This increase of Rs. 35,661 or about 30·61 per cent in the numbers of registrations, both compulsory and optional which is contributed to by all districts, is reported to be due to the introdtuction of the Transfer of Property Regulations, the favourable seasonal conditions, the popularity of registration, increased commercial activity, absence of epidemic diseases, and a large number of marriages and other celebrations necessitating borrowing on ths security of immovable property.

3. The total receipts of the department during the year amounted to Rs. 3,34,402 as against Rs. 2,47,127 in the previous year, showing an increase of 36 per cent.

4. The expenditure of the department for the year was Rs. 1,40,085 as against Rs. 1,29,499 or Rs. 10,386 more than in the previous year and is due to the supply of furniture to certain offices, the increased cost of stationery, etc., as observed in the last year's report.

5. Nine thousand eight hundred and fifty-one applications for the transfer of Revenue Registry were received and sent by the Registering Officers to the Revenue authorities during the year as against 7,782 in the previous year.

6. The case of false personation referred to in paragraph 4 of the last year's review resulted in the conviction of all the accused except two who died. Another case of prosecution under Section 198 of the Indian Penal Code instituted during the year for alteration of the date of the execution of a document, is reported to be pending before the Magistrate of the Hole-Narsipur Sub-Division.

7. Government are glad to note that the inspection work during the year was more satisfactory than in the previous year, the Inspector-General of Registration himself having inspected all the District Registry Offices and 27 Sub-Registry Offices.

G. ARAVAMUDU IYENGAR,
Secy. to Govt., Revenue Dept.

To—The Inspector-General of Registration in Mysore.
The District Registrars.
PRESS TABLE.

Exd.—C. R

Report on the Working of the Stamp Department for the year 1919-20.

No. R. 7290-9—St. 9-20-2, dated 20th December 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS

Read —

Letter No. D. Dis. 13—20-21, dated the 7th October 1920, from the Commissioner of Stamps in Mysore, submitting the Administration Report of the Stamp Department for the year 1919-20.

Order No. R. 7290-9—St. 9-20-2, dated 20th December 1920.

Recorded.

2. The stamp revenue realised during the year under review was Rs. 16,65,110-12-6 as against Rs. 13,17,720-4-8 in the previous year. There has been a marked increase of Rs. 3,47,390-7-10 which is contributed by all heads, except the three-pie petition papers, the obligatory use of which for petitions was abolished from the 1st January 1920. This sudden and large increase in revenue is attributed to (1) larger litigation, (2) larger enrolment of legal practitioners, (3) larger number of documents registered consequent on the introduction of the Transfer of Property Regulation, (4) non-prevalence of epidemics, (5) general increase in trade after the war and (6) larger increases in the number of marriages, etc., necessitating borrowing.

3. The total expenditure of the Department was Rs. 1,04,389 as against Rs. 1,12,417 in the previous year, thus showing a decrease of Rs. 8,028 which was mainly due to the non-purchase of the three-pie petition papers and to the favourable rate of exchange at the time of the payment to the firms in England.

4. The administration of the Stamp Department during the year was marked by three measures, *viz.*,

(1) the withdrawal from the 1st January 1920 of the obligation of using three-pie papers for petitions,

(2) the remission of the stamp duty payable on all deeds of gift, trust or other transfers in favour of the University of Mysore, and

(3) the grant of a commission of 2% to stamp-vendors authorised to sell stamps of the denomination of more than Rs. 50.

5. The working of the Department during the year was satisfactory.

6. Government regret to observe that there was no improvement in the inspection work of the Department in spite of the observation of Government in the previous year's Administration Reports. The attention of the Commissioner of Stamps is invited to paragraph 3 of Government Order No. 7030-9—St. 17-18-3, dated the 9th December 1918, regarding the submission of yearly programmes of inspection work by all Inspectors of Stamps and he is requested to report what progress has been made in this direction.

G. ARAVAMUDU IYENGAR,

GENERAL AND REVENUE DEPARTMENTS

READ—

The District Fund Administration Report of the Kadur District for the year 1919-20 received with letter No. R. Dis. 6 L. B.—20-21, dated 4th October 1920, from the President of the Kadur District Board.

Order No. R. 6632-4—L. B 68-20-11, dated 3rd December 1920.

Constitution of the District and the Taluk Boards.—The District Board and all the 6 Taluk Boards were reconstituted in accordance with the new Regulation VI of 1918, and the rules framed thereunder A non-official member was elected as Vice-President by the District Board and by each of the Taluk Boards of Mudgere, Kadur, Koppa and Narasimharajapura.

2. *Meetings and attendance.*—All the Boards held the prescribed number of meetings during the year. The average attendance was 62·7 per cent at the meetings of the District Board and 44·7per cent at those of the Taluk Boards. The attendance of members at the meetings of the Tarikere Taluk Board is given as 2·76, while the prescribed quorum is not less than 5. The President is requested to investigate the correctness of the figure furnished and to see that the Taluk Board does not transact business when the prescribed quorum is not present. As it stands, the poor attendance evinces a grave dereliction of duty on the part of the official members and lack of public spirit on the part of the non-official members.

3. *Panchayets.*—The number of panchayets rose from 23 to 32, nine panchayets having been newly constituted during the year. Particulars regarding the number of meetings held, etc., have been furnished in respect of only 14 panchayets and out of these only 1 met the prescribed number of 12 times during the year. The President should have, by issue of timely instructions to the Presidents of Taluk Boards and the Chairmen of panchayets got the necessary statistics and incorporated them in the report. Judged from the figures available in the report the attendance of members at the meetings was on the whole fair.

4. *Finance.*—The income and expenditure during the year amounted to Rs. 1,41,392 and Rs. 70,431 against Rs. 1,35,702 and Rs. 67,208, respectively, in the previous year. The variations are small and call for no remarks. Excluding public debt items and the railway cess of Rs. 45,379 realised during the year and set apart for the construction of railways, the amount available for expenditure out of the income of the year was Rs. 92,928. The amount allotted in the budget for expenditure under service heads during the year was Rs. 84,420 and out of this a sum of Rs. 62,518 only was actually spent during the year, the lapses under Public Works being considerable. The year closed with a balance of Rs. 2,67,661 of which the accumulated railway cess amounted to Rs. 1,51,045 and the unspent balance of drinking water wells fund to Rs. 6,592.

5. *Demand, collection and balance.*—The demand under "House and Mohatarfa taxes" which is the only item requiring the attention of the collection staff employed by the Boards and to village panchayets amounted to Rs. 24,645 including the sum of Rs. 3,787 which remained uncollected at the end of the previous year. Of this, only Rs. 17,133 was collected. Prompt action should be taken to collect the balance of Rs. 7,512. The demand under Railway cess is shown as equivalent to the actual collection during the year. This is not correct. The actual demand and balance should be ascertained and incorporated in the report of the current year.

6. *Public Works.*—Fifty-two per cent of the budget grant for Public Works in the Public Works Department and 58 per cent in the Civil Department were allowed to lapse during the year. The lapse in the Civil Department has not been explained, while the outlay in the Public Works Department from October 1919 to the end of June 1920, is reported as not having been at all intimated to the President by the Executive Engineer. The President should have noticed the omission early in the accounts by calling for the information in time or bringing the omission to the notice of the Chief Engineer or the Government. The Chief Engineer is requested to issue strict instructions in the matter to Executive Engineers. The maintenance of roads is reported to be unsatisfactory but the question of finding funds for their improvement is said to have engaged the attention of the District Board. The District Board should come to a speedy decision regarding this important question.

7. *Water-supply.*—The outlay incurred from the drinking water wells fund amounted to Rs. 7,103 and the unspent balance at the credit of the fund at the end of the year was Rs. 6,592. Fifty-seven well works were in progress and 10 were completed during the year. The remaining works should be completed early.

8. *Public health and medical relief.*—The total mortality decreased from 20,702 to 5,335 as there was no recrudescence of influenza in a pandemic form although it broke out in a mild form during the year and accounted for 114 deaths. Fifteen Local Fund Dispensaries and three Ayurvedic Institutions and seven midwives were supported in part from the District Funds. Eight thousand two hundred and ninety-four persons were vaccinated against 10,229 in the previous year.

9. *Audit of accounts*—The accounts of the Board for the half-year ending 31st December 1919, were audited by the Local Audit Staff of the Comptroller's office The Finance Committee of the District Board met only once to check the accounts This is not sufficient. The District Board should make proper arrangements for the regular conduct of audit of their accounts every month.

10. *General.*—There is a good deal to be done by the Boards and the panchayets to develop their resources and improve their administration.

G. ARAVAMUDU IYENGAR,
Secy. to Govt., Rev. Dept.

To—The President, Kadur District Board.
The Chief Engineer of Mysore.

GENERAL AND REVENUE DEPARTMENTS

Read—

Report on the District Fund Administration of the Chitaldrug District for the year 1919-20 received with the President's letter No. D. Dis. 31—L. F. 20-21, dated 30th September 1920.

Order No. R. 7095-6—L. B. 68-20-12, dated 14th December 1920.

1. *Constitution.*—The constitution of the several Local Boards including the District Board which was commenced last year, was completed this year, the non-official element finding a prominent place in the new constitution. The District Board commenced working under its new constitution with its strength raised from 26 to 36 and consisting of 7 *ex-officio*, 25 elected, and 4 nominated members. A non-official Vice-President was elected to the District Board and a non-official Vice-President was nominated for the Harihar Taluk Board.

2. *Meetings and attendance.*—The District Board met the prescribed number of times and the average attendance was 78% of the total strength of the Board against 70 of the previous year All the Taluk Boards, except that of Chitaldrug, met the prescribed number of times during the year. It is unsatisfactory to note that the Finance Committee did not meet at all during the year. When the Government are transferring large powers to the District Boards it is quite essential that the members should take an intelligent interest in the financial position of the Board and exercise a salutary check over the receipts and expenditure.

3. *Village Panchayets.*—The total number of panchayets was 96 and the tota number of meetings held was 299 against 109 of last year. Only four panchayets met the required number of 12 times and 18 did not meet at all during the year. This was not satisfactory. The average attendance of non-official members was 6·26. It is observed that during the year the panchayets have spent Rs. 14,342 out of an allotment of Rs. 34,000 set apart for them.

4. *Financial position.*—The total receipts and expenditure of the District Board were Rs. 3,30,753 and 2,03,126 respectively against Rs. 2,49,714 and 90,151 of the previous year. The increase under ordinary receipts was however only Rs. 4,136 over that of the last year. Out of a total demand of Rs. 2,35,894 including the arrears of previous years (Rs. 11,799) a sum of Rs. 2,12,582 was collected and Rs. 528 remitted leaving thus a balance of Rs. 22,784 still to be collected. The arrears pertained chiefly to mohatarfa in the panchayet areas due to the new method of local taxation and they were heavy in all the taluks.

The ordinary expenditure rose from Rs. 77,409 for 1918-19 to Rs. 1,86,356 during the year under report mainly due to a sum of Rs. 85,749 incurred on Chitaldrug-Chikjajur railway work under "A Public Works" and to the excess outlay of Rs. 15,092 incurred over that of last year under "B Public Works."

5. *Public Works.*—It is reported that the allotment of Rs. 27,000 made for original works under "A Public Works" was not utilised as the projects for works were not ready for sanction. This is an unsatisfactory feature in the administration and Government trust that this will not be allowed to recur. The total amount spent under "A Public Works" was Rs. 26,760 including the arrears of the previous year paid during the year. The expenditure by the Civil Department on public works was Rs. 17,987 out of an allotment of Rs. 31,820 while that on well works was Rs. 10,331 out of an allotment of Rs. 22,750. Only 24 wells works were completed out of 147 in progress.

An allotment of Rs. 25,275 was made for the maintenance of District Fund roads by the Public Works Department. The total length of the District Fund roads repaired or improved by the Public Works Department was 287⅜ miles and the main-

tenance grant ranged from Rs. 50 to Rs. 150 a mile. Some roads were newly opened and the existing ones improved to a total length of 68½ miles at an estimated cost of Rs. 5,148 under the village Improvement Scheme. The existing roads in village panchayets and in other places were also repaired or improved at a cost of Rs 3,951

Chitaldrug-Chinejajur Railway.—A sum of Rs. 1,39,975 was collected by the District Board from the commencement up to the end of June 1920 against a subscribed amount of Rs. 2,95,928-12-0 towards the railway loan. Only a sum of Rs. 19,975 was actually collected and credited during the year. A sum of Rs. 1,17.261 in all has been paid by the Board up to the end of June 1920 towards their share of railway work. Owing to the revision of the project of the railway line the District Board's share of cost was raised to Rs. 8½ lakhs and the Board have now proposed to obtain the balance by way of a loan from Government and the proposal is engaging the attention of Government.

6. *Public Health and Sanitation.*—Public health in the district was fair the number of deaths during the year being 7,512 against 41,286 of the previous year. There were still 41 villages that remained to be brought under the Village Sanitation Rules. Separate places were set apart for storing manure in only three villages during the year. Six Mayer's Hand Pumps were purchased during the year at a cost of Rs .1,125 to safeguard the water-supply during jatras and fairs. Thirty-nine persons were convicted and fined Rs. 122 in all out of 42 persons prosecuted for the breach of Village Sanitation Rules. A full-time Sanitary Officer was appointed during the year. Though the opening of a Female Dispensary at Davangere was sanctioned in Government Order No. G. 4684-7 —Med. 82-17-5, dated 26th August 1919, yet it was not opened for want of a suitable building. Steps should be taken to open this early. There were seven vaidyasalas partly or wholly maintained from the District Funds and the total expenditure incurred by the District Board on this account was Rs. 1,209 during the year.

7. *Vaccination.*—The District Board incurred an expenditure of Rs. 2,073 against Rs. 550 in the previous year, towards vaccination work. Compulsory vaccination was in force in all the municipalities except Malebennur.

8. *Cattle Shows.*—Out of the seven cattle shows held during the year five were subsidised from District Funds and managed by Committees of non-official members. The receipts and expenditure were Rs. 614-15-0 and Rs. 642 respectively.

9. *General.*—The Administration was on the whole satisfactory. More attention requires to be paid however (1) to the collection of revenue, (2) to the working of the Village Panchayets and (3) the rural Sanitation Work.

G. ARAVAMUDU IYENGAR,
Secy. to Govt., Revenue Dept.

To—The President, District Board, Chitaldrug.
The Chief Engineer in Mysore.

Administration Report of the Kolar Gold Fields Sanitary Board.

No. R. 7124—L. B. 68-20-13, DATED 15TH DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

GENERAL AND REVENUE DEPARTMENTS

READ—

The Administration Report of the Kolar Gold Fields Sanitary Board for 1919-20 received with the President's letter No. 310, dated the 28th September 1920.

Order No. R. 7124—L. B. 68-20-13, dated 15th December 1920.

1. Recorded.

2. *Meetings and attendance.*—The strength of the Board remained the same as in the previous year. Six ordinary and two special meetings were held during the year. The attandance of the members was satisfactory.

3. *Financial position.*—The total income of the Board, together with the item of excise cess amounting to Rs. 25,383 credited in the accounts during the year, was Rs. 1,11,629 against Rs. 1,09,382 in 1918-19. The total demand for the year including the arrears of previous years, was Rs. 88,030 of which a sum of Rs. 76,735 was collected, leaving a balance of Rs. 11,295. It is noticed that a sum of Rs. 117 only is credited in the Treasury accounts under sanitary cess, while Rs. 1,026-10-0 is shown as collected in the Demand, Collection and Balance Statement. An explanation for the discrepancy should be submitted. The arrears under "House tax including mohatarfa" amounted to Rs. 8,777 and a collection which leaves uncollected nearly half the demand is unsatisfactory. The fluctuations under the other heads call for no remarks.

The total expenditure for the year under service heads was Rs. 99,884 against Rs. 93,569 for the previous year. The expenditure includes an item of Rs. 5,000 spent in connection with Peace Celebrations in December last. The actual closing balance excluding the items under "Public Debt" was Rs. 40,064 against Rs. 28,199 in 1918.19.

4. *Public works.*—The total expenditure for original works and repairs was Rs. 16,598 as against Rs. 16,695 in 1918-19. Deducting the savings, the actual lapse was Rs. 8,221 or 32·2 per cent.

5. *Public Health.*—Except for the prevalence of influenza in a mild form during the first quarter of the year under report, public health was on the whole good. The number of births during the year and the total number to whom medical relief was afforded compare favourably with those of the previous year. There was a decrease in the number of vaccinations performed during the period by 5,524 and the fall in the number of cases is attributed to the smaller number of small-pox attacks.

6. *General.*—The management of the affairs of the Board continued to be satisfactory.

G. ARAVAMUDU IYENGAR,
Secy. to Govt., Revenue Department.

To—The President, Kolar Gold Fields Sanitary Board.
PRESS TABLE.

G. O. No. R. 7454—L. B. 68-20-16, DATED 23rd DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

The Administration Report of the District Board of Hassan for the year 1919-20, received with letter No. C. 236—L. F., dated the 29th September 1920 from the President, District Board.

Order No. R 7454—L. B. 68-20-16, dated 23rd December 1920.

Nine Local Boards and 89 village panchayets were working in the district during the year. The Hassan District Board was reconstituted during the year, its strength being raised from 30 to 36 members, of whom 24 were elected members.

2. *Meetings and attendance.*—The District Board met nine times during the year and all the Taluk Boards met more than six times. The average attendance for a meeting of the District Board was 7 among *ex-officio* and 22 among non-official members and for the Taluk Board 3·9 official and 5·4 non-official.

3. *Village Panchayets.*—Of the 112 Village Panchayets authorised to be constituted, only 89 Village Panchayets have so far been formed. The delay in the formation of the remaining 23 Village Panchayets is said to be due to the absence of literate persons able to conduct the meetings. It is hoped that these Panchayets will also be in action before long. With the exception of the 23 Village Panchayets which were formerly unions, the rest are reported to have held only formal meetings for taking preliminary steps as difficulties were experienced in the matter of keeping accounts and dealing with the Treasury. Government trust that a more satisfactory record of work will be made during the coming year.

4. *Finance.*—The ordinary income during the year amounted to Rs. 2,02,966 as against Rs. 2,01,700 of the previous year. A sum of Rs. 45,706 was realised on account of the loan raised for the construction of the Hemavati bridge near Gorur and of the road from Channarayapatna to Hole-Narsipur against Rs. 28,919 of the previous year. The expenditure amounted to Rs. 1,25,536 as against Rs. 1,25,123 in the previous year, leaving a closing balance at the credit of the District Board of Rs. 3,56,013. The total demand for the year including arrears of Rs. 1,35,331 was Rs. 1,61,720 out of which a sum of Rs. 1,34,740 was collected and excluding remission granted a balance of Rs. 26,215 was outstanding at the end of the year. The President is requested to take the necessary measures for the early collection of the arrears.

5. *Public Works.*—During the year under report there have been heavy lapses under P. W. original and 'special repairs' to the extent of 60% and 85·8% respectively and more than 77% of the allotment under P. W. Civil Department also lapsed. The President explains this unsatisfactory feature to be due to the paucity of contractors in the district and the violent fluctuations in the sanctioned rates and also to the absence of a professional agency working directly under the Board. Government observe that these features are common to the other districts as well and cannot be accepted as a satisfactory explanation of the extraordinary slackness of work in this district.

6. *Rural water-supply.*—Nine wells at an estimated cost of Rs. 4,323 were newly sanctioned for the benefit of Panchamas and 3 wells at a cost of Rs. 1,698 were sanctioned after recovery in part of each contribution from villagers. There were in all 87 wells in progress out of which 11 wells were completed during the year. It is reported that there is a great slackness of demand for wells in the maidan parts of the district and the Board propose to engage the services of the itinerant preacher to bring home to the people the utility of an uncontaminated supply of drinking water. The total amount expended on well works both incomplete and newly sanctioned was Rs. 3,061.

No. R. 7454—L. B. 68-20-16, Dated 23rd December 1920.

7. *Vital statistics.*—During the year under report there were 6,375 births as against 7,010 in the previous year and 7,121 deaths against 31,602. The number of deaths by fever including "Influenza" was 3,196 during the year as against 27,849 in the previous year. The number vaccinated during the year was 11,746 as against 10,135 the percentage of successful cases being 84·10 for primary and 30·18 for secondary vaccination.

8. *General.*—The President is requested to see that all the Village Panchayets are formed before the close of the current year. There is considerable scope for improvement as regards the administration of Village Panchayets and the execution of public works.

Government are gratified to note the acknowledgment of the President to the great help rendered by the non-official Vice-Presidents of the District and Taluk Boards and to the great interest taken in the investigation and solution of problems of local and general interest by the members of the various Boards.

A point of some importance was referred to the Board relating to the contribution to the Redfern Memorial Hospital at Hassan. The report makes no mention of this subject having come before a meeting of the Board for discussion. Government hope that the question will receive early attention.

G. ARAVAMUDU IYENGAR,
Secy. to Govt., Rev. Dept.

To—The President, District Board, Hassan.
PRESS TABLE

Exd.—C. R.

No. R. 7453—L. B. 68-20-15, DATED 23RD DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS

READ—

The Administration Report of the District Board of Mysore for the year 1919-20, received with letter No. D. Dis. 40—L. B. 20-21, dated the 3rd October 1920, from the President, District Board, Mysore.

Order No. R. 7453—L. B. 68-20-15, dated 23rd December 1920.

Ninety-eight Local Boards were working in the district during the year as shown in the margain. The District Board was reconstituted during the year, the strength of the Board being raised from 30 to 45.

1 District Board.
13 Taluk Boards.
84 Village Panchayets.

2. *Attendance and Meetings.*—The District Board held 7 meetings during the year, while the Taluk Boards, with the exception of Heggaddevankote, Gundlupet, T.-Narsipur, Seringapatam and Nanjangud Taluk Boards, held more than the 6 meetings prescribed under the rules. The attendance of the official and the non-official members in the District Board was 6·1 and 24·8 respectively, while that of Taluk Board was 1·9 and 7·47 respectively.

3. *Village Panchayets.*—Out of 220 Village Panchayets authorised to be constituted only 84 Village Panchayets have been formed. With the exception of 5 Village Panchayets, which held 12 meetings during the year, none of the others held the prescribed number of meetings, while some held no meetings at all. This is both disappointing and unsatisfactory.

4. *Finance.*—The total income during the year was Rs. 3,45,657 as against Rs. 3,18,586 in the previous year, thus showing an increase of Rs. 27,072 which is mainly due to adjustments of deposit items and increase under local cess and better collection under mohatarfa. The total expenditure was Rs. 2,24,263 as against Rs. 1,18,978 in the previous year, showing a net increase of Rs. 42,285 which was due to larger outlay under public works, payment of allowances, etc. The closing balance at the end of the year amounted to Rs. 7,52,933. The total demand including arrears was Rs. 3,52,358, of which a sum of Rs. 3,45,657 was collected during the year leaving a balance of Rs. 94,794 uncollected. This is capable of improvement. Under house tax, including mohatarfa, a sum of Rs. 82,456 is shown under arrears and the President is requested to issue necessary instructions to the local authorities concerned for the prompt collection of these arrears.

5. *Public Works.*—Out of the sum of Rs. 1,59,198 allotted under "A. P. W." a sum of Rs. 99,329 was expended during the year allowing a heavy lapse of Rs. 59,869. Under "B. P. W" a sum of Rs. 11,553 was spent out of a total allotment of Rs. 50,000. The reason assigned for this is that the non-entertainment of a District Board Engineer greatly hampers the progress of the works. This question is engaging the attention of Government. The President is requested to see that the incomplete works are first completed before new works are started. That such heavy lapses have been allowed to occur is unsatisfactory and is indicative of very slack supervision.

6. *Water-supply.*—Twenty-one new wells were sanctioned in addition to the 147 incomplete wells shown in the beginning of the year. The total outlay was Rs. 6,998. Twenty-six wells were completed during the year. It is hoped that better progress in this respect will be shown in the current year.

7. *Vital Statistics.*—The number of births and deaths during the year was 14,872 and 15,385 against 13,436 and 45,628 respectively in the previous year. The total number vaccinated was 18,832 as against 25,574 in the previous year.

No. R 7453—L. B. 68-20-15, DATED 23RD DECEMBER 1920.

8. *General.*—Beyond the mere formation of villages into Village Panchayets it is observed that no further action has been taken to bring these bodies into a regular working order. Now that each Village Panchayet has been provided with separate funds, it is hoped that better progress will be shown in this direction during the current year. The budget and account rules to be framed in this connection is engaging the attention of Government.

The Senior Surgeon in Mysore.

PRESS TABLE.

Rules for the payment of grants-in-aid to Vaidyasalas and Davakhanas by Local Boards.

1. In order to be entitled to a grant-in-aid, the institution should supply a distinct want which cannot be sufficiently met by existing hospitals and dispensaries.

2. The Vaidya or the Hakim in charge should have undergone a course of training in the Ayurvedic College, Mysore or similar recognised institution and hold a diploma or certificate that he is competent to practise medicine. Provided however that the Taluk Board may relax this rule in the case of uncertificated men who may otherwise have acquired sufficient reputation for good work done in the locality.

3. The institution and its records should be open at all reasonable time to the inspection of the Senior Surgeon, the District Medical Officer and the Presidents and Vice-Presidents of the District and the Taluk Boards concerned.

4. The grantee should maintain such registers and accounts and conform to such rules as may be prescribed by the Taluk Boards from time to time and submit such periodical returns, reports and accounts as may be required by the President of the Taluk Board.

5. The amount of grant-in-aid will be determined in each case with reference to the efficiency of the institution and its requirements.

6. Grants may be given for rents of buildings, supply of medicines and establishments.

7. Applications for grants should be made before the 31st December every year to the Taluk Board concerned which shall be competent to sanction a grant-in-aid not exceeding Rs. 25 per mensem. For amounts exceeding the above, the sanction of the District Board should be obtained.

8. Grants may be reduced or cancelled at any time by the Taluk Board, if the conditions on which they were originally made are violated or are not fulfilled, and if after reasonable notice, not exceeding three months to the recipient of the grant, the defects are not remedied.

9. All institutions in respect of which grants are given should be inspected once at least every year by such Officers of the Board as it may nominate for the purpose, an inspection report being submitted by such officers to the Board concerned specifying clearly whether the institutions are maintained in an efficient condition and deserve the grants sanctioned to them.

Exd.—C. R.

District Fund Administration Report, Shimoga District.

No. R. 7553-5—L. B. 68-20-17, DATED 31ST DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

The Administration Report of the Shimoga District Board for the year 1919-20, received with the President's letter No. P. R. 37—L. B. 20-21, dated 13th October 1920.

Order No. R. 7553-5—L. B. 68-20-17, dated 31st December 1920.

I. *Constitution.*—In addition to the constitution of the Taluk Boards and the Village Panchayets under the new Regulation, the elections and nominations of members for the re-constituted District Board were also taken up and completed. All the Taluk Boards had their own non-official Vice-Presidents during the year. A non-official Vice-President was also elected for the reconstituted District Board. It is unsatisfactory to note that though 105 Village Panchayets had been constituted in the several taluks, most of them have yet to be brought into working order. Now that separate Treasury Accounts have been ordered to be opened for all the Village Panchayets, who have been given wide powers in administering their own affairs, Government hope that better progress will be shown in the working of the Village Panchayets.

II. *Meetings and attendance.*—The District Board held five meetings during the year. The average attendance was 27·5 for a total strength of 36 members against 16·8 for a strength of 27 members for the previous year. The Taluk Boards held only 55 meetings against 61 for the previous year. It is seen from the report that all the Taluk Boards, except those of Shimoga and Kumsi, held the prescribed number of meetings and that though the total number of meetings held by the Village Panchayets, was 476 against 227 for the previous year, the prescribed number of 12 meetings were not held in most of them. Explanations should invariably be given in the future reports for not holding the required number of meetings of the local bodies.

III. *Financial position.*—The opening balance at the commencement of the year was Rs. 2,88,303, the total receipts and expenditure under all heads being Rs. 1,85,939 and Rs.1,70,027 against Rs. 2,32,678 and Rs. 1,85,671, respectively, for the previous year. The decrease under receipts is attributed to the credit in the account of the previous year of a grant of Rs. 35,000 towards the Drinking Water Wells Fund and also to a book transfer credit of Rs. 26,731. This same book-adjustment on the debit side in the account of the previous year is reported also to be the cause for the decrease under expenditure during the year. The ordinary receipts and expenditure of the Board for the year under review were Rs. 1,83,024 and Rs. 1,55,709 respectively.

The total demand for the year was Rs. 2,54,072 including Rs. 59,186 the arrears of the previous years. The total collections were Rs. 1,85,939 or 73·18 per cent of the demand. The total remissions for the year were Rs. 2,356, leaving a balance of Rs. 65,777 at the end of the year. More attention requires to be paid to collection work.

IV. *Public works.*—The budget allotments for the execution of works by the Public Works Department and the Civil Department were Rs. 89,380 and Rs. 33,068 respectively. Out of these allotments, the Public Works Department spent Rs. 65,395 or 74·16 per cent and the Civil Department only Rs. 7,053 or 21·33 per cent. The heavy lapse allowed by the Civil Department is accounted for by the non-utilization of the budget grants by the newly constituted Village Panchayets which have yet to be brought into working order. It is hoped that the allotments will be fully utilized by the Panchayets in future years.

Roads.—It is stated that 163 miles of roads have either been newly opened or repaired by the Village Committees at a cost of Rs. 14,983. Fuller particulars should have been given.

Government regret to note that the condition of the District Fund roads in the District continue to be still far from satisfactory. The attention of the Chief Engineer

is invited to this and he is requested to investigate into the reason for this state of things and to advise the Board on the measures necessary for their improvement.

Water-Supply.—Forty more wells were sanctioned during the year in addition to the 80 wells that were left incomplete at the beginning of the year, making a total of 120 wells. Only 15 wells, out of these 120 wells, are reported to have been completed at a cost of Rs. 11,301, leaving still incomplete at the close of the year, 105 wells. Before sanctioning fresh wells every year, the President is requested to see that arrangements are made for the completion of the major portion of the incomplete works of the previous years and that fresh sanctions are given sparingly according to a pre-arranged programme, where there is a satisfactory agency to see to the early completion of the works.

District Board Railway.—Out of the sum of 10 lakhs, the District Board share towards the construction of the District Board Railway, the share capital subscribed amounted to Rs.7,66,150 out of which the actual collection up to the end of the year was only Rs. 2,65,337 or 34·63 per cent. During the year only Rs. 17,331 was collected on this account. The reason for this poor progress in the collections should have been explained.

V. *Public Health.*—The number of births and deaths registered was 7,597 and 7,244, respectively, against 6,531 and 39,242 in the previous year, showing a slight increase in the number of births and a large decrease in the number of deaths during the year. The decrease under death was due to the non-appearance of any other epidemics than small-pox which prevailed in a mild form.

VI. *Vaccination.*—The number of persons vaccinated with the aid of Vaccinators (including one Reserve Vaccinator), was 15,720 against 10,709 for the previous year. But it is observed that the number of vaccinations performed by the special vaccinators assisted by four additional vaccinators employed under the Malnad Improvement scheme during the year, was only 729 against 2,705 of the previous year. This is quite unsatisfactory. It is hoped that better supervision and scrutiny will be exercised in future over the work of these sepecial vaccinators.

VII. *General.*—Two clerks and a secretary have been sanctioned to the Board in connection with the work of the Economic Development since transferred to the District Board. A Local Self-Government section is stated to have been added to the District Conference which met at Shimoga on the 25th and 26th March last.

The Vaidyasala sanctioned for Tavarekere in the year 1918, was opened during the year and Government also sanctioned the opening of a Female Dispensary at Kallurkatte.

The appendices received with the report have been incorrectly prepared. Details have not been given in many cases. Figures in the statement do not tally in some cases with those given in the body of the report. Strict instructions should be given to the Presidents of the several Taluk Boards to exercise careful supervision over the correct preparation of these statements.

Read—

The Administration Report of the Mysore City Municipal Council for the year 1919-20

Order No. R. 7391-3—Ml. 116-20-8, dated 22nd December 1920.

1. *Constitution.*—The Municipal Council continued to have 29 members with Rajasabhabushana Dewan Bahadur C. Srikantesvara Aiyar as President throughout the year.

2. *Elections.*—A bye-election was held to fill up a vacancy among the elected members. The attendance of voters at the election was only about 20 per cent the event being not keenly contested.

3. *Meetings and attendance.*—Twenty-three meetings were held and the average attendance was 20 against 21 in the previous year. It is hoped there will be an improvement in the attendance.

4. *Committees.*—Of the 8 Committees which worked during the year, the principal one was the Managing Committee which met 26 times. The Audit Committee met only 5 times against 6 in the previous year. This Committee should have met at least once a month, as observed in the previous review.

5. *Demand, collection and balance.*—The collection work continued to be satisfactory. The income from Octroi (Rs.1,01,136)showed an increase of 10 per cent on account of closer supervision and stricter scrutiny, while that from tolls (Rs. 30,600) was almost stationary. Under the other items of taxation, the current demand was Rs. 59,771 of only a trifle in excess of that of the previous year (Rs.59,423)and out of this Rs. 53,323 or 90 per cent was collected. Out of the arrears of Rs. 12,690 outstanding at the beginning of the year Rs. 5,167 remained uncollected at the close of the year. Prompt steps should be taken to collect the recoverable portion and to write off the irrecoverable items.

6. *Finance.*—The income and expenditure of the year under service heads amount-ed to Rs. 2,65,016 and Rs.2,87,284(after excluding a sum of Rs. 37,000 withdrawn from the Government Treasury and credited to the current account of the Mysore Bank) against Rs. 2,63,509 and Rs. 2,72,282, respectively, in the previous year. In addition to the increase under Octroi noticed above, the income under markets and slaughterhouses rose by Rs.4,721. This increase was to a large extent set off by comparatively smaller income under grants and contributions due to absence of any arrear credits as in the previous year. The increase under expenditure was mainly on account of the adjustment of arrears of contribution payable to Government on account of water maintenance charges. The closing balance at the end of the year was Rs. 9,429 and fell short of the prescribed minimum by more than 50 per cent.

7. *Water-supply.*—The question of improving the water-supply of the City was finally settled during the year. To meet the increasing demand for water in the City Government in consultation with the Municipal Council have decided to sanction a scheme costing nearly Rs. 15,00,000 by replacing the existing old plant and making the necessary additions thereto. The Municipal Council have been asked to contribute a portion of the outlay and their resolution should be expedited.

The contribution by the Municipal Council towards the electric lighting and water-supply charges are inadequate and so also is their contribution towards the extensions of water mains made from time to time. A Committee was appointed to go into the question and their recommendations in the matter are engaging the attention of Government.

No. R. 7391-3—Ml. 116-20-8, dated 22nd December 1920

8. *Public works.*—The Municipal Council spent only Rs. 16,047 under original works out of which Rs. 15,891 was for the expansion of the Devaraj Market. The expenditure on repairs of roads was Rs.24, 667 against Rs. 33,515 in the previous year. The Municipal Council contributed, however, Rs.9,000 for expenditure in connection with the visit of His Excellency the Viceroy to the Capital during the year. The allotment of larger grants for maintenance of roads in the City is necessary.

9. *Conservancy and sanitation.*—The introduction of daily conservancy system is reported to be beset with many difficulties, chief among which are want of accessibility, paucity of funds and dearness of labour. This important question should engage continuous attention and the Municipal Council should arrive at a speedy solution at least in respect of the extensions in which conservancy lanes have been provided

10. *Medical relief.*—Four Local Fund Dispensaries, 6 indigenous dispensaries, 4 midwives and 4 vaccinators were maintained by the Municipal Council. One thousand and seventy-seven labour cases were attended to and 4,198 persons were vaccinated against 940 labour cases and 4,968 persons vaccinated in the previous year.

11. *Public health and vital statistics.*—The public health was generally good throughout the year. There was a marked decrease from 3,903 to 2,399 in the total mortality and this was due to the absence of epidemics in an extensive form. Plague accounted for 353 deaths, while 19 died of small-pox. It is satisfactory to note that there were no deaths from cholera during the year.

12. *General.*—The Municipal Council have taken action in regard to the regularisation and development of municipal taxation and they have decided to abolish Mohatarfa and impose instead a tax on professions, trades and callings under the Municipal Regulation. The administration of the Municipality continued to be satisfactory.

Correspondence ending with letter No. C. 767 of 20-21, dated 22nd October 1920, from the Inspector-General of Education in Mysore, suggesting certain measures for the speedy construction of village school buildings towards which contributions have been paid by villagers.

Order No. 5382-3—Edn. 261-20-2, dated 11th December 1920.

The Inspector-General of Education has brought to the notice of Government that in many cases villagers have deposited contributions in Government Treasuries for the construction of school buildings without any further action being taken by themselves or by the officers accepting such contribution with the result there have been frequent complaints of inaction and delay on the part of the departments concerned in sanctioning supplementary grants and the construction of the building themselves and has proposed that with a view to remedy this defect instructions may be issued to the several Treasury Officers to open a special register for noting the deposits made by villagers from time to time and send an extract therefrom every quarter to the office of the Inspector-General for further action being taken in the matter.

Government observe that people often deposit money to push forward a scheme the urgency of which is not felt as yet, and consider therefore that obligations cannot be undertaken to provide a moiety of the cost of buildings in all cases as a matter of course. Contributions paid into the treasury should not therefore be accepted unless the party produces an endorsement authorising its acceptance by the Department. Government are accordingly pleased to direct that the Department should maintain a register for noting the deposits accepted by them and that whenever deposits are accepted and endorsements given to the parties, an entry should be made in the register and a corresponding grant made at once out of the year's allotment, and steps taken to get the buildings constructed without delay.

Government Order No. 12426-8—Edn. 22-18-18, dated 28th June 1919, sanctioning an amendment to the grant-in-aid rules permitting grant-in-aid institutions to grant free studentships in the A.-V. and High School Departments and extending the provision of treating backward classes scholarship holders as free students in aided schools also.

2. Letter No. H. C. 324 of 20-21, dated 4th December 1920, from the Inspector-General of Education in Mysore, stating that in the absence of a clear provision to treat holders of depressed class scholarships as free students, such students have been required by heads of certain aided institutions to pay fees and requesting sanction to certain modifications of Rule V B 2 (*a*) of the Grant-in-aid Code and of Rule (VI) of his office Notification D. No. 102, dated 17th April 1920, so as to treat holders of depressed class scholarships as free scholars.

Order No. 5866-7—Edn. 167-20-8, dated 27th December 1920.

Sanctioned. The rules as revised will read as follows:—

Rule V B 2 (a).— It shall be permissible until further notice for aided institutions to grant free studentships in the A.-V. and High School Departments up to 20 per cent of the strength of each class and in the Entrance class up to 30 per cent of its strength. Further the provision that backward classes and depressed classes scholarships also carry with them free studentships will apply to aided schools also.

Rule VI of Notification D. No. 102, dated 17th April 1920.— All the students to whom backward class or depressed class school scholarships will be awarded should be considered as free students and the fees collected from them till the date of award should be drawn on refund bills from the treasury and refunded to the boys. The free studentships shall be in addition to the 20 per cent usually allowed in all Government and aided institutions.

N.B.—No change.

Administration Report of the Civil Veterinary during the year 1919-20.

No 5611-20—A. & E. 116-20-5, DATED 20TH DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Correspondence ending with letter No. 3047—V. D., dated 28th October 1920, from the Director of Agriculture, forwarding two copies of the Administration Report of the Civil Veterinary Department for the year 1919-20.

Order No 5611-20—A. & E 116-20-5, dated 20th December 1920.

Recorded.

2. During the year under review, there were outbreaks of epidemic diseases among cattle, especially Rinderpest, and in order to prevent the spread of these diseases, inoculation was as usual, resorted to, the number of cattle inoculated against Rinderpest being 23,698, as against 24,772 last year. It is reported that in certain parts of the State, raiyats are ignorant of the advantages of inoculation as a preventive. Special efforts should be made by the Veterinary staff to educate such people in this behalf It is also reported that in the Kolar District, there was inordinate delay in giving intimation of the outbreak of an epidemic disease in the Malur Taluk, and that as a consequence, the disease spread to the adjoining Taluks also. This is extremely unsatisfactory. It is hoped that in future, proper and efficient arrangements will be made by Deputy Commissioners to give timely intimation to the Veterinary Staff so as to enable them to adopt prompt and effective measures fo combating the spread of infectious diseases among cattle. Deputy Commissioners are also requested to see that cattle mortality registers are maintained in all villages with necessary information recorded therein with a view to ensure the collection of reliable statistics

3. Of eight hospitals and twelve dispensaries that were working during the year, four dispensaries were newly opened at Hunsur, Dodballapur, Channagiri and Chintamani. There were 28,657 fresh admissions as against 24,046 and 37 553 cases under treatment as against 78,416 when compared with the last year In view of the fact that four new dispensaries were opend during the year under review the result achieved cannot be considered quite satisfactory. Effective measures should be adopted to persuade the people to take advantage of these institutions on a large scale.

4. The providing of suitabe accommodation for Veterinary Dispensaries is a duty mainly incumbent on the District Boards Individual representation with regard to places where improvements are desired, should be separately made by the Superintendent through the Director of Agriculture to the several District Boards for needful action. With regard to the Hospitals in the Cities of Bangalore and Mysore the question of constructing suitable buildings is under the consideration of Government.

5. Rules have been in force offering liberal concessions to people desirous of starting horse, pony and cattle breeding farms Special facilities have also been created for the maintenance of breeding bulls. Practically no advantage seems to have been taken of these concessions till now The Director of Agriculture is requested to make efficient arrangement with a view to induce the people to take advantage of these facilities, and to note the result achieved in a special paragraph in future reports.

6. The Administrative control of the Veterinary Department has since been transferred to the Agricultural Department, one of the main reasons for the transfer being the constitution of a Live-stock Section under an expert in the Agricultural Department. To facilitate the recruitment of qualified men in the Veterinary Department the cadre of the Veterinary staff has recently been revised with better scales of pay. In these circumstances it is hoped that better progress will be shown in future in the work of the Department.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

The marginally noted Representative Assembly Subject No. 155 of 1916, regarding the introduction of a scheme for the insurance of cattle in Mysore.

A scheme for the insurance of cattle belonging to genuine Agriculturists may be introduced.

2. Correspondence ending with letter No. 3743, dated 28th May 1918, from the Secretary, Agricultural Committee, forwarding copy of the resolution of the Agricultural Committee passed at their meeting held on 4th May 1918 to the effect that six societies of the Burma type be started at selected places, preferably in or near places where Veterinary aid could be had, and that the Registrar of Co-operative Societies be requested to furnish a set of model rules.

3. Letter No. 5403, dated 20th April 1918, from the Registrar of Co-operative Societies addressed to the Secretary, Agricultural Committee, furnishing his opinion on the advisability of adopting a definite scheme for Co-operative cattle insurance and trying it for the present on a limited scale in Mysore and suggesting the lines on which Co-operative Societies for cattle insurance may be started and conducted.

4. Correspondence ending with letter No. D. Dis. 383—18-19, dated 14th December 1918, from the Revenue Commissioner in Mysore, stating that the scheme is well worth trying in Mysore provided that enterprising persons or Societies come forward to take up the business and Government is not asked to take any financial responsibility apart from exercising general supervision over such societies in cases where Co-operative Societies undertake the work.

(Nos. 2, 3 and 4 printed as annexure.)

Order No. 5621-34—A & E. 132-16-20, dated 20th December 1920.

The question of introducing a scheme for cattle insurance in Mysore has been for some time under the consideration of Government. A scheme based on co-operative lines has been introduced in Burma, Coorg and the United Provinces and is reported to be working with a fair measure of success. The Agricultural Board recommends the establishment of six Co-operative Societies on the Burma Model experimentally. The main features of the scheme as worked in Burma are as follows :—

(*a*) Insurance is confined to plough cattle and the operations of the Society are restricted to a single village.

(*b*) The maximum amount for which a cattle insurance society can insure any animal is limited to Rs. 100.

(*c*) Indemnity is given in the case of loss due to death from disease or accident.

(*d*) The premium payable is 5 per cent of the value of each animal insured payable in advance in 2 instalments once in six months.

(*e*) The Indemnity payable for each animal is ¾ of the value of the animal less the amount realized by the owner of the animal by the sale of skin or meat or both.

(*f*) The Society may reinsure, up to a half of its risks with a reinsurance society or a Joint Stock Company approved by the Registrar.

(*g*) The valuation of the animals is to be made by three experts selected from the Committee of management constituted by the general body of the Society.

2. Government approve of the proposal to start six Co-operative Cattle Insurance Societies to be worked on the lines indicated above with the following modifications :—

(i) The premium payable will be 4½ per cent of the value of the animal insured.

(ii) The maximum amount of indemnity will be fixed at Rs. 100.

No. 5621-34—A. & E. 132-16-20, dated 20th December 1920.

3. It should be made clear to each society that the scheme should be worked on strictly Co-operative lines.

4. As regards financial aid that may be needed by such societies, the Registrar of Co-operative Societies, who was consulted in the matter, is of opinion that some Government assistance would be necessary in the earlier stages and that it would have to take the form of guarantee of financial support up to a limit of Rs. 2,500 in the case of each society. In view of the fact that it is not likely that other central financial agencies will undertake to advance loans to this new and novel form of co-operation, Government agree with the Registrar and will be prepared to finance each of these societies to the extent of Rs. 2,500 if and when required. This advance will be recovered in ten annual instalments with interest at 6½ per cent per annum. The Registrar is requested to frame and submit for the approval of Government rules laying down the conditions subject to which such loans may be granted.

5. As the success of the scheme will in the initial stages greatly depend upon the facilities the Department of Co-operation and the Civil Veterinary Department can provide for prevention of losses by diseases and for the efficient management of the societies, the Registrar of Co-operative Societies is requested to organise such societies in suitable places to be selected in consultation with the Director of Agriculture and within easy access of responsible officers belonging to both Departments.

6. Government do not consider it necessary to appoint a separate Veterinary Inspector solely for supervising these Societies. The Director of Agriculture will, however, be requested about necessary instructions being given to Veterinary Inspectors to visit any Cattle Insurance Society that may be situated within five miles from their Headquarters once at least a week and render such assistance and advice as may be required of them.

7. The Registrar of Co-operative Societies, is requested to frame a set of model bye-laws to regulate the working of such Societies in consultation with the Revenue Commissioner and the Director of Agriculture and to submit a copy of the same for the approval of the Government.

8. The Revenue Commissioner, the Director of Agriculture, and the Deputy Commissioners of Districts, are requested to instruct the officers of their respective Departments to co-operate with the Registrar in working the scheme on successful lines.

9. A separate paragraph should be devoted in the annual report of the Co-operative Department for the working of this new type of Societies.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Revenue Commissioner in Mysore.
The Director of Agriculture in Mysore.
The Deputy Commissioner, Bangalore District, for communicating the above order to the member who mooted the subject.
The other Deputy Commissioners of Districts.
The Secretary, Economic Development Board.
The Secretary, Board of Agriculture.
The Registrar of Co-operative Societies in Mysore.
The Comptroller to the Government of Mysore, through Financial Secretariat.
The other Heads of Departments.

Exd.—C. R.

No. 5621-34—A. & E. 132-16 20, DATED 20th DECEMBER 1920.

Letter No. 3743, dated 28th May 1918, from the Secretary, Agricultural Committee, Bangalore, to the Secretary to Government, Departments of Education and Agriculture, Bangalore.

With reference to your letter No. 1047—A. & E. 132-16-10, dated 31st July 1917, calling for the views of the Committee on the question of introducing Cattle Insurance into the State, I am directed to forward herewith copy of Note by the Officiating Registrar of Co-operative Societies in Mysore as well as that of Resolution No. 2 of the Committee passed at their meeting, held on 4th May 1918, and to request that orders of Government be obtained about starting half a dozen societies in the first instance in places to be selected by the Registrar of Co-operative Societies in consultation with the Superintendent, Civil Veterinary Department.

Extract from the Proceedings of the 66th Meeting of the Agricultural Committee held on 4th May 1918.

2. *Cattle Insurance.*—Read letter No. 5403, dated 20th April 1918, from the Registrar of Co-operative Societies outlining a scheme for the introduction of Cattle Insurance into the State and explaining that the time was not yet ripe for trying Co-operative Cattle Insurance on a large scale and suggesting that a trial might be made by starting a few societies on the Burma model during the current year.

If the experiment succeeded, the movement would gain popularity and could be easily expanded.

Resolution 2.—Resolved that six Societies of the Burma type be started at selected places preferably in the same district where veterinary aid could be had and that the Registrar of Co-operative Societies be requested to furnish a set of model rules.

Letter No. 5403, dated 20th April 1918, from the Registrar of Co-operative Societies in Mysore, to the Secretary, Agricultural Committee, Bangalore.

With reference to your letter No. 2685-86, dated the 14th February 1918, calling for my views on the subject of cattle insurance, I have the honor to state that I agree with the opinion of the Agricultural Committee, that a definite scheme of Co-operative Cattle Insurance should be adopted and tried for the present on a limited scale in Mysore.

2. The subject of cattle insurance has been under the consideration of the Agricultural Committee for over two or three years. From the papers available in my office, it appears to me that the Committee have long ago realised the necessity for protecting the raiyat population against the heavy loss sustained by them on account of cattle mortality. About two years ago they consulted the Registrar of Co-operative Societies as to the practical steps which should be taken for the adoption of a system of cattle insurance. Mr. M. A. Narayan Iyengar who was then Registrar expressed the opinion that while some kind of cattle insurance was undoubtedly called for the time was not ripe for trying a system based on Co-operative lines.

3. I am in full agreement with Mr. Narayana Iyengar in his opinion that in a country where life insurance is but little known and where every attempt at improving the material welfare of the people meets mostly with ignorant prejudice a scheme of cattle insurance is likely to secure but little belief and less sympathy. For this reason I am not in favour of trying a system of Co-operative insurance on a large scale just at present. In fact as Mr. Narayana Iyengar has stated the idea of co-operative cattle insurance has often been placed before our raiyats but so far it has not been taken up by them. Very recently the subject of reducing the loss due to cattle mortality was discussed at a meeting of some prominent raiyats of the Harihar Sub-Taluk, when it was suggested to them that a scheme of cattle insurance would secure their object. The question was disposed of with the convenient decision that it should be considered further.

4. While I am thus not in favour of trying a system of Co-operative Cattle Insurance on a large scale I think it is fully worth our while to try our scheme on a limited scale at a few select cattle centres as decided by the Agricultural Committee at the meeting held on the 21st of February 1918. I cannot say whether Hunsur, Nagamangala and Chikballapur are the best centers that could be chosen for our attempt. But I think they are. In any case the opinion of the Veterinary superintendent may be obtained and accepted in the matter.

5. Having selected our centres I would start with about 10 or 12 societies during the current year. This will enable us to give them all the help, guidance and supervision

No. 5621-34—A. & E. 132-16-20, dated 20th December 1920.

they may require. A year's successful working, especially if their should be some cattle mortality will advertise societies and demonstrate their usefulness. When once the people realise that these societies mean business, that they stand to gain by them and that the management of the societies involves no special skill, ability or trouble, I have no doubt that these institutions will become as popular as credit institutions and that there will be a spontaneous demand for them from the raiytas.

6. As regards the types of societies, I think that the Burma model may be adopted. The Society should confine its operations to a village. An entrance fee of about one rupee may be charged. The ultimate authority in all matter relating to the society should rest with the general body of members at a meeting assembled and subject to that authority the management should be left to an elected Committee consisting of a President, Secretary, a treasurer and six members. To help this Committee and if necessary to check their work a controlling body may be elected consisting of adout 3 members whose business it is to advise the managing Committee of the value of the cattle offered for insurance, to visit and supervsie insured animals and to certify whether a death on which a claim is made is covered by the terms of the insurance.

7. For the present, I think we might begin with the insurance of plough cattle between the ages of 3 or 4 and 10 or 12 years, the maximum value of the beast insured being Rs. 100 and the maximum indemnity payable on it being Rs. 75. Provision should be made for the proceeds of skin and meet and any compensation due from third parties being handed over to the society. Facility should also be provided for withdrawal from insurance and substitution of cattle.

8. In the absence of actual data, it is difficult to suggest the rate of premium payable by the members In countries where co-operative insurance of cattle has developed the rate varied from 1½ to 3½ per cent of the value of the beast insured. But I think will be safer to adopt in Mysore a higher rate of about 4½ to 5 per cent. In Burma, the rate is five per cent but it is considered too high and it is proposed to adopt a lower figure. The amount due on premium should be paid every half-year the insurance lapsing at the end of the half-year unless renewed within the time fixed by the Society.

9. Until cattle insurance societies of the kind that I have suggested or started on such a large scale that a Central Re-insurance Society can be formed and perhaps for sometime even after that period, it will be necessary for the Government to give some financial help to the societies. It will probably never be required but in any case the extent of the help will not be excessive.

10. It will, I think, facilitate the working of our scheme if the Veterinary Department is asked to help the societies with their advice. I would suggest that a special Veterinary Inspector should be deputed to be in charge of these societies, help them in the valuation of cattle offered for insurance, advise them with regard to the feeding and maintenance of cattle, treat the cattle when they are sick, certify the cause of death and generally act as a sort of expert adviser of the societies.

11. As regards the suggestion of the Agricultural Committee that I should try and interest 2 or 3 leading co-operative credit societies in cattle insurance work, I shall gladly do so, but I need hardly say that the credit society has such will take no financial responsibility with reseet to the cattle insurance scheme which may be working in connection with it.

12. I have so far given but a bare outline of the more important details connected with the working of co-operative cattle insurance societies. Several other details will have to be settled but they are perhaps best considered when the bye-laws of these societies are framed.

13. Mysore is an essentially agricultural country. Much of the work which is done elsewhere by machinery is done here by cattle. It is essential that we must protect the raiyat against the loss due to cattle mortality and a scheme of cattle insurance is therefore sure to secure his interest and support when once it is proved to him that it is capable of realising that object. The scheme outlined here will, I believe, serve that purpose and I hope the Agricultural Committee will find their way to accept it with such modifications as their wider experience may suggest

Letter No. 383—18-19, dated 14th December 1918, from the Revenue Commissioner in Mysore, Bangalore, to the Secretary to Government, Departments of Education and Agriculture, Bangalore.

With reference to your letter No. 472—A. & E. 132-16-15, dated 16th July 1918, requesting for my opinion regarding the scheme of cattle insurance proposed to be

No. 5621-34—A. & E. 132-16-20, DATED 20TH DECEMBER 1920.

introduced in the State, I have the honour to state as follows:—

I do not think that a scheme of cattle insurance is likely to be popular with or appreciated by our people. However, if any enterprising person or society comes forward to take up the business a trial may be given to it provided the Government is not asked to finance it or to undertake any responsibility for its working with the exception of exercising general supervision over it as in the case of Co-operative Societies in the State. It will not be possible to spare the services of the Government Veterinary Officers for the Society either free or even on payment as the Veterinary Department is undermanned and the existing staff cannot attend to this work in addition to their duties.

The enclosures received with your letter under reply are returned herewith.

Ropeway at Kemmangundi.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Correspondence ending with letter No. 623, dated the 27th November 1920, from Dr. W. F. Smeeth, Director of Mines and Geology, specifying the terms which Messrs. Bird & Co., Calcutta, are willing to accept in connection with the materials, etc., required for the Ropeway at Kemmangundi and recommending that an order may be placed with Messrs. Ropeways at once and Messrs. Bird & Co., asked to cable it to them.

(PRINTED AS AN ACCOMPANIMENT.)

Order No. 5156—9—I. & C. 286-20-3, dated the 2nd December. 1920.

Sanctioned.

2. Dr. Smeeth is requested to take all necessary action in the matter and see that the whole Ropeway is completed by the end of December 1921.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—Dr. W. F. Smeeth, M.A., D. Sc., Director of Mines and Geology.
The Special Officer, Mysore Iron Works.
The Tata Iron and Steel Coy., Ltd., Bombay,
The Comptroller, Mysore Government.

Exd.—C. L.

Letter No. 553, dated the 15th November 1920, from the Director of Mines and Geology in Mysore, to Messrs. Bird & Co., Calcutta.

With reference to your letter No. 1897—20, dated the 1st November 1920, and previous letters giving quotations for the Kemmangundi-Ropeway, I am directed to inform you that Government are prepared to accept Messrs. Ropeways' quotations for a ropeway having a maximum capacity of 30 tons per hour. The various items required and the quotations for them are as follows, C.I.F., Madras, and based on exchange value of 1s. 10d. per rupee.

Item A. Upper portion of ropeway from upper terminal to Taikan (*vide* your No. 1897 of 12th October. 1920) .. .. Rs. 1, 31, 800

Item A-I. Extension of ropeway from Taikan to new lower terminal at Tanigabaile a distance of approximately 1¼ miles at Rs. 65, 835 per mile (*vide* letters 1897 of 12th October and 1897 of the 1st November 1920.)

Item B. Steel work for loading Bunker and shoots excluding steel plating (*vide* specification enclosed with your No. 1897 of the 2nd August 1920 and modified in your letter of the 26th October 1920) .. Rs. 7, 335

Item C. Steel work for roof, shoots and screens over tunnel at lower terminal (*vide* specification enclosed with your letter of 2nd August 1920) Rs. 14, 082

The final prices to be based on above quotations subject to any alteration which may be made in the original specifications. For instance, it may be necessary to somewhat alter the steel-work required for item C for the new terminal at Tanigabaile and any difference in the cost must be duly allowed for or adjusted.

I am to state, however, that final acceptance of the tender must depend on whether you can guarantee to furnish us with the necessary plans for foundations and erection within three months of the placing of the order and also guarantee to start the first shipment of material within the same period and to complete shipments within say six months from the placing of the order.

I am to state that Government do not wish to impose any harsh or unreasonable terms but they consider it necessary to have some definite limit within which the stuff is to be delivered, failing which they shall be at liberty to cancel the order for such materials as cannot be so delivered and to obtain the necessary materials elsewhere.

I shall be glad to have your views and proposals on these points as early as possible for consideration of Government.

I enclose for your information a copy of the Government Order on the subject.

No. 5156-9—I. & C. 286-20-3, DATED 2ND DECEMBER 1920.

Letter No. 1897-20—58, dated the 20-24th November 1920, from Messrs. Bird & Co., Agents, Messrs. Ropeways, Ltd., Calcutta, to the Director of Mines and Geology in Mysore, Bangalore.

KEMMANGUNDI ROPEWAY.

We beg to acknowledge receipt of your letter No. 553, dated the 15th November, which we have read with much interest and for which many thanks.

We note that your Government is prepared to accept our quotations for the above ropeway, but that it imposes some conditions with which we feel and regret we cannot comply without modifications and we respectfully request that the conditions referred to may be amended accordingly.

As regards your first condition, *viz.*, that we guarantee to furnish you with plans for foundations and erection within three months of the placing of the order, we would much prefer to guarantee that the plans will be despatched from London within ten weeks from

(A) Date of receipt of order by cable by Messrs. Ropeways or from :—

(B) Date of receipt by mail by Messrs Ropeways of the profile plans of the extension of the ropeway from Taikan to Tanigabalie (the plans have been received today and acknowledged separately)

whichever of the above (A) or (B) is received the better. We are sure your Government will agree with the necessity of item (B) because the design of the upper portion of the ropeway will depend (as far as size and strength of terminal gears) on the profile of the extension and Messrs. Ropeways will not care to commence any drawings until they receive these extensions profile drawings and this date cannot now be before the 18-20th of December.

As regards your second condition, *viz.*, that we guarantee to start the first shipment of material within three months of placing the order, we very much regret that we are sure no English firm at the present time, would be in a position to guarantee this condition and we therefore make the following proposal that the foundation bolts for trestles and stations be made at our Kumardhubi Engineering works and the first consignment despatched to you within three weeks of the receipt of drawings from London. This would enable the whole of the foundation work to be completed well before the monsoon.

We further propose for your approval that Messrs. Ropeways be asked to commence shipment of steel trestles and station frames within six months from (A) or (B) and complete within nine months and to start shipment of all line meterial (sheaves, rope, buckets, etc.) and all terminal gear within nine months and complete within 11 months from (A) ro (B). This would enable the erection of steel work to be commenced directly after the monsoon and the whole ropeway completed by the end of December 1921.

As regards the paragraph in which you say your Government consider it necessary that they should be at liberty to cancel the order for such material as canonot be delivered within, contract time, we cannot but think that such an arrangement weuld lead to very serious complications in asmuch as that when once the ropeway has ben commenced to Messrs. Ropeway's design the remainder would have to be made to confrom to this design in order to produce a successful ropeway and as a design submitted by Messrs. Ropeways consists of a mass of very special details gained by over 35 years successful experience we regret that we cannot comply with this condition. We therefore make the following proposal for your Government's approval :—

We will cable at once to Messrs. Ropeways asking if they are prepared to guarantee the programme as laid out in this letter and if their reply is that they cannot, then we would take steps to make all trestles (of a four-legged type) at our Kumardhubi Works asking your Government if necessary, to use their influence on our behalf to obtain any material which we did not happen to have in stock.

In any events we will do our utmost to get all the ropeway material delivered as early as possible should we be favoured with your Government's esteemed order.

We should be much obliged if you would let us have all shipping instructions, as regards marks and destinations, etc., in your next letter.

D. O. Letter No. 623, dated the 27th November 1920, from Dr. W. F. Smeeth, Director of Mines and Geology, to the Secretary to Government, Departments of Education and Agriculture.

I enclose for your information and orders of Government, copy of my letter No. 553, dated the 15th November 1920, to Messrs. Bird & Co., regarding the order for the Kemmangudi Ropeway and a copy of their reply thereto No. 1897-20—58, dated the 20—24th November 1920.

They regret to say that they are unable to give us guarantees of delivery which we asked for and I do not think it will be possible to get any firm to give such guarantees. On the other hand, Messrs. Bird and Co., offer —

(i) To guarantee that the plans will be despatched from London within ten weeks from receipt of order and final plans by Messrs. Ropeways.

(ii) They propose that the foundation bolts for trestles and stations could be made at Kumardhubi Engineering Works and the first consignment will be despatched to us within three weeks of the receipt of drawings from London.

(iii) That Messrs. Ropeways be asked to commence shipments of steel trestles, etc., within six month from receipt of order and to complete all shipments of material within 11 months from the same date.

(iv) That if Messrs. Ropeways are not prepared to guarantee the programme laid out in this letter, Messrs. Bird & Co., would take steps to make the trestles at their Kumardhubi Works with a view to accelerate work.

I quite agree with the contentions of the letter to the effect that it is not possible to obtain definite guarantees and that it would be a practical impossibility once the work is taken in hand by Messrs. Ropeways to cancel any portions of the order and substitute something else from another firm.

I think that between Messrs. Ropeways in London and the Kumardhubi Engineering Works here, we shall be in a better position to obtain deliveries than can be expected from any other firm.

If we were to address any firms in America, Belgium or elsewhere, it would, in my opinion, be impossible to get the necessary plans and estimates furnished to us for approval within six wonths' time and under the best conditions, it would probably be an additional three to six months before we could receive the working, drawings or any materials whatever.

I am sure that Messrs. Ropeways and the Kumardhubi Engineering Works will do everything to expedite matters and get the ropeway up as quickly as possible and if we want to get any work done on the ropeway at all, during the next year, we must place the order at once and ask Messrs. Bird & Co., to cable it to Messrs. Ropeways, Ltd.

I urge very strongly that Government should place the order with Messrs. Ropeways without any further delay or reference. I do not think there is any possible alternative and the reference that we have now made to Messrs. Bird and Co., has really not got us any further and has caused a delay of over a month of our most valuable time.

No. 5405-7—I. & C. 223-19-30, DATED 11TH DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Para III of Government Order No. 6940-4—I. & C. 212-18-9, dated 28th January 1920, ordering certain arrangements for the audit of accounts in connection with the Iron Works at Benkipur.

2. Government Order No. 11846—I. & C. 37-19-10, dated 17th June 1920, directing that the audit reports be submitted to Government once a month.

Order No. 5405 7—I. & C. 223-19-30, dated 11th December 1920.

With a view to ensuring that the audit reports sent up by the Comptroller are disposed of promptly, Government are pleased to lay down the following instructions in the matter:—

(1) All routine errors (such as those noted in the margin) observed during audit, will be rectified at Benkipur itself under instructions from the auditor.

1. Delay in the posting of cash book.
2. No proper check over moneys received.
3. Non production of cancelled receipts.
4. No initials on counterfoil receipts.
5. Absence of proper certificates in muster rolls.
6. Non-production of certain vouchers.
7. Giving of details, *re* quantity billed, rates quoted, etc., in work bills

(2) With regard to other essential matters, a report will be drawn up and as soon as it is ready, the Comptroller will make extracts of the portions relating to the points on which the company's explanations or remarks are required and send them on to the Tata Iron and Steel Company at Bombay direct, for returning the same to Government with their explanations or remarks.

(3) A copy of the full audit report will be sent up to Government at the same time by the Comptroller indicating clearly the points on which the Company have been addressed for explanations and the points on which the orders of Government are required.

(4) On receipt of the explanations, etc., from the Company, Government will consider all the points raised and pass final orders as early as possible.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Comptroller to the Government of Mysore.
The Tata Iron and Steel Company.
The Special Officer, Mysore Iron Works.

Exd.—C. R.

No. 5840-4—I. & C. 163-19, dated 27th December 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Order No. 5840-4—I. & C. 163-19, dated 27th December 1920.

The following instructions are issued in regard to the maintenance of accounts connected with the Mysore Iron Works, so that it may be possible to have clear and accurate figures with regard to (i) the results of the concern as a whole and (ii) the results of the operations carried on by the several departments charged with the supply of fuel, ore, flux, etc.

I. Construction period. During this period there will be no receipt side for the Iron Scheme budget, but only an expenditure side. All the amounts spent therefore in connection with the various items noted below will be charged to the capital account of the scheme.

(1) Purchase of machinery and materials for the Blast Furnace and Wood Distillation Plant.

(2) Erection of the plants and construction operations at Benkipur.

(3) Establishment charges at Benkipur and other places.

(4) Expenditure incurred in the Forest Department for storing the fuel required for about two years.

(5) Construction of ropeway materials required and acquisition of lands therefor.

(6) Expenditure incurred in connection with the collection of ore required for about two years.

(7) Expenditure incurred in connection with the flux operations at Voblapur, etc.

(8) Expenditure incurred in collecting the flux required for about two years.

(9) Construction of tram lines for the transport of fuel, ore and flux, permanent lines and rolling stock required therefor, etc.

(10) Working expenses for these lines for about two years. The expenditure referred to above, will however, be classified under the following heads.—

I.	Iron Works Proper,	1, 2 and 3
II.	Forest Department Operations,	4
III.	Mining Department, (*a*)	5 and 6
	(*b*)	7 and 8
IV.	Railway Department,	9 and 10

2. The commission due to the Company for the construction period will, as provided in the Agreement, be reckoned on the total expenditure incurred under items Nos. (1) and (2) referred to above, the following items being excluded, *viz.*, (i) the remuneration, wages, etc., paid in accordance with clause VIII (*c*), of the agreement and (ii) expenditure incurred by agencies other than the Managing Agents.

II. Operation period. During this period there will be a receipt side also, and the different departments will, as a result of the sale of the pig iron manufactured, get amounts at the stipulated rates from the Company for the raw

materials supplied. The receipts and expenditure for this period will therefore be as shown below.

I. Iron Works Proper.

Receipts.	*Expenditure.*
1. Sale proceeds from iron by products, etc.	Establishment charges and other working expenses.
2. Price of stock on hand.	

II. Forest Department Operations.

Receipts.	*Expenditure.*
1. Sale proceeds from fuel supplied at rates stipulated in the Agreement.	Establishment charges as prescribed in G. O. No. R. 4819-24—Ft. 94-19-1, dated 4th November 1919, *re* fuel supply arrangements.
2. Sale proceeds of timber, etc.	

III. Mining Operations.

Receipts.	*Expenditure.*
1. Sale proceeds from iron ore supplied.	Establishment charges and working expenses.
2. Sale proceeds from flux supplied.	Do do

IV. Railway Department Operations.

Receipts.	*Expenditure.*
1. Freight given by the Company according to Agreement for fuel, ore and flux.	Working expenses, establishment charges.
2. Freight realised from transport of timber and other traffic.	Do do

3. For calculating the commission due to the Company for this period, the net profits will be computed as follows.

From sale proceeds of iron, etc., I, deduct—

(a) Establishment charges and working expenses.

(b) the receipts under Forest and Mining operations except timber II and III.

(c) the freight realised under IV (1), and

(d) depreciation charges when these have to be deducted according to the Agreement.

4. So far as the different Departments are concerned, the difference between the receipts and expenditure under each head, will represent the loss or profit as the case may be.

5. The Heads of Departments concerned are requested to maintain the accounts relating to their Departments in the manner specified above in appropriate forms in consultation with the Comptroller and send copies thereof every half-year to Government and the Comptroller.

6. The Comptroller will consolidate all these accounts and send up to Government a half-yearly statement with regard to the results of the scheme as a whole.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Special Officer, Mysore Iron Works.
The Comptroller, through Financial Secretariat.
The Agent, Mysore Railways.
The Conservator of Forests in Mysore.
Dr. W. F. Smeeth, M.A., D. Sc., Director of Mines and Geology.

Report on the working of the Agricultural Banks for the year 1919-20.

No. 5480-91 — E. & C. 78-20-3, DATED 14TH DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Report on the working of the Agricultural Banks in the State during the year 1919-20, received with letter No. 2478 — C. S., dated 16th November 1920, from the Registrar of Co-operative Societies and Inspector of Agricultural Banks.

Order No. 5480-91 — E. & C. 78-20-3, dated 14th December 1920.

RECORDED.

Forty-six Co-operative Societies in all have been started in places where Agricultural Banks existed previously. During the year under review two Co-operative Societies in Tumkur District and one in Mysore District were organised in place of Agricultural Banks.

There was practically no collection of arrears during the year, and this is very unsatisfactory. The Inspector of Agricultural Banks has reported that the Banks at Vadigenahalli and Aradesahalli in the Devanhalli Taluk are in arrears to the extent of Rs. 6,902 and Rs. 6,433-4-3, respectively, and that nothing has been paid by any of the Banks referred to for the past ten years. The Deputy Commissioner, Bangalore District, is requested to submit, before the expiry of February next, a detailed report as to the action taken by him in the matter till now.

The Deputy Commissioners of Kolar, Mysore and Kadur Districts, are also requested to take urgent steps for the recovery of the dues from defaulting Banks in their respective districts.

A special report should be submitted to Government as to the action taken in the matter. The Deputy Commissioners are also requested to take early action in regard to the utilisation of the surplus of the defunct Banks.

C. S. BALASUNDARAM IYER,
Chief Secy. to Govt.

TO—The Registrar of Co-operative Societies and Inspectors of Agricultural Banks.
The Comptroller to the Government of Mysore.
The Revenue Commissioner in Mysore.
The Deputy Commissioners of Districts.
The Registrar of Joint Stock Companies in Mysore.

Insurance Rules 5 and 21 (Official Branch).

No. Fl. 3580-629—G. F. 99-20-2, dated 4th December 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Letter No. 4696, dated 15th October 1920, from the Secretary, State Life Insurance Committee, forwarding for sanction the appended revised Rules 5 and 21 of the Official Branch Rules necessitated by the adoption of the procedure of issuing policies after, instead of before, payment of the first premium.

Order No. Fl. 3580-629—G. F. 99-20-2, dated 4th December 1920.

Sanctioned.

M. N. KRISHNA RAO,
Financial Secretary to Government.

To—The Secretary, State Life Insurance Committee.
Other Heads of Departments.

Rule 5. The age of the proposer shall be taken to be the age at his last birthday or next birthday, whichever may be the nearest to the date on which the *first premium is paid*. If it be equidistant, it shall be taken to be the age at his last birthday.

Rule 21. When a proposal for insurance has been accepted, the Secretary shall, without delay, give notice thereof to the proposer through his official superior and call upon the proposer to pay the first premium in cash into a Government Treasury within the date specified in the said notice and to send the treasury receipt therefor to the Insurance Office for issue of policy. On receipt of the said treasury receipt, a policy shall be prepared in the prescribed form signed by the Secretary and forwarded to the insured by registered post. The date of payment of the first premium shall be the date of the policy and shall be entered in the policy by the Secretary. If the proposal has been rejected or otherwise dealt with, the Secretary shall communicate the same to the proposer through his official superior.

If the first premium is not paid as above laid down, the Secretary shall call upon the proposer through his immediate official superior to explain the delay, and, if within three months from the last due date for payment of the said first premium, it should be proved to the satisfaction of the President and Secretary that the delay was due to causes other than the illness of the proposer, he (the Secretary) may order the payment of all the premiums due from the first due date. In cases of delay exceeding three months and in all other cases in which the reason for delay is not considered satisfactory, the policy shall be issued after the production of a medical certificate similar to the one on which the policy was originally issued. The fee for obtaining such a certificate shall be paid by the proposer, which shall be for an ordinary medical certificate of good health, 5 per cent of the monthly pay of the proposer subject to a minimum of one rupee and maximum of five rupees and for a detailed medical certificate, 10 per cent of such pay subject to a minimum of three rupees and a maximum of fifteen rupees.

Limit of Expenditure to the Minimum.

GENERAL AND REVENUE DEPARTMENTS.

Order No. Fl. 3716-65—G. F. 121-20-1, dated 10th December 1920.

Proposals for new charges which are being submitted for the sanction of Government indicate that sufficient attention is not being paid by Heads of Departments and offices to limit their expenditure to the minimum. Government consider it therefore necessary to issue the following instructions to all Departments:—

No expenditure for which provision is not made in the sanctioned budget estimates should be proposed. Expenditure on new items though provided for in the Budget, should not be incurred unless it is absolutely necessary, and if it requires sanction of a higher authority, such sanction should under no circumstances be anticipated. The sanctioning authority should not permit any new item of expenditure unless it is quite unavoidable. Proposals for increase of establishments should, as a rule, not be submitted except when an establishment is required for ensuring an immediate increase of revenue. No original works of any kind should be started and the practice of undertaking new works by providing a part of the estimate of such works by re-appropriation or otherwise should cease. The practice of proposing additional expenditure on new schemes and requesting that they may be met by future savings in the departmental budget or by later reappropriation should also cease. Considerable savings on sanctioned grants under certain Heads are also possible, if the Heads of Departments and offices exercise, as they are required to do, due vigilance over them. The necessity for limiting expenditure in all directions is very great and Heads of all Departments and Offices are requested to rigidly adhere to the instructions issued in this order. Government trust that they will take personal responsibility to see that they are carried out.

M. N. KRISHNA RAO,
Financial Secretary to Government.

To All Heads of Departments.
The Deputy Commissioners of Districts.
The Secretaries to Government.

Exd.—C. R.

Letter No. G. A. D. 300, dated 6th November 1920, from the Comptroller, Mysore Government, to the Financial Secretary to the Government of His Highness the Maharaja of Mysore.

I have the honor to submit the following report on the working of the Mysore State Provident Fund for the year 1919-20.

2. *Number of subscribers.*—The number of subscribers at the commencement of the year was 2,664. During the year under report, 100 persons were enrolled as members and 110 ceased to be as such, with the result, that there were 2,714 members at the close of the year. Of these, 16 are compulsory subscribers.

3. *Receipts.*—The amount subscribed during the year was Rs. 94,711-13-10 as against Rs. 90,734-11-2 in the year previous. The repayment of temporary advances amounted to Rs. 15,111-9-4 as against Rs. 8,427-11-0 during the previous year.

4. *Withdrawals.*—There were 110 cases of withdrawals from the fund during the year, of which 57 were due to retirements, 32 to deaths, 12 to resignations, 5 to dismissal and 4 to the subscribers having joined the Railway Department. The amount thus withdrawn aggregated Rs. 15,413-15-7.

5. *Temporary advances.*—There were 200 cases of temporary advances and the amount advanced in the year was Rs. 19,627-0-0, while that repaid during the year was Rs. 15,111-9-4.

6. The financial position of the fund on 30th June 1920 was therefore as follows :—

		Rs.
Opening balance on 1st July 1919		2,97,894 7 5
Subscriptions during the year		94,711 13 10
Repayments of temporary advance		15,111 9 4
Total ..		4,07,717 14 7
Withdrawals during the year		35,040 15 7
Permanent		15,413 15 7
Temporary advance		19,627 0 0
Balance ..		3,72,676 15 0
Interest credited during the year		16,205 8 6
Closing balance on 30th June 1920 .. .		3,88,882 7 6

7. *Nominations.*—During the year under report, there were 63 nominations and the total number registered from the beginning was 1,050.

8. Annual advices to subscribers are being issued.

Grant of High Price Allowance to non-Gazetted Officers.

No. Fl 3930-79—S & A 23-20-31, DATED 18TH DECEMBER 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Order No. Fl. 449-98—S. & A. 23-20-1, dated 19th July 1920, sanctioning high prices allowances to officers on salaries of Rs. 100 and under.

Order No. Fl. 3930-79—S. & A 23-20-31, dated 18th December 1920.

Government are pleased to sanction high prices allowances to non-Gazetted Officers on salaries exceeding Rs. 100 according to the following scale:—

RATES OF SALARY.	RATES OF ALLOWANCE SANCTIONED.
Those in receipt of salary above Rs. 100 per mensem and not exceeding Rs. 150 per mensem.	Rs. 12-8-0 each per mensem.
Those in receipt of salary above Rs. 150 per mensem and up to Rs. 250 (inclusive).	Rs. 15 each per mensem.

2. The maximum emoluments including the allowance sanctioned in this order should not exceed Rs. 265 per mensem and in the case of those whose salary, exclusive of this allowance, is between Rs. 250 and Rs. 265, the allowance will be limited to the amount required to make up the maximum of Rs. 265.

3. This sanction will have effect from 1st December 1920 and be in force until further orders.

4. The conditions mentioned in para 3 of the order read above as revised by Government Order No. Fl. C. 1-50—S. & A. 23-20, dated 17th October 1920, apply to the allowances sanctioned in this order.

M. N. KRISHNA RAO,
Financial Secretary to Government.

To—The Comptroller to Government.
The other Heads of Departments.
